- The Parish Council was due to meet with the village school on Thursday 14 March to discuss parking issues at school drop-off and pick-up times. Outcomes will be reported at the meeting.
- The Parish Council has been monitoring vehicle speeds through the village over the last couple of weeks with a Speed Indication Device borrowed from the police. Registration numbers of vehicles travelling above the speed limit are recorded and sent to the police, who then respond accordingly. Monitoring will continue as and when the device is available to the Parish Council.

10/19 Stiles: footpath from Pitts Green (Swarebrook) to Waterstock

To report any further progress on the issue of stile replacement/repair.

11/19 Litter pick

12/19 Volunteer car scheme to Wheatley

The pilot scheme has been put on hold pending more volunteers, and will therefore not be starting in March. Please see the piece in the March Bulletin for more information, and contact Kate Pattinson at katepattinson@yahoo.co.uk or on 01844 279204 if you would like to join the list of volunteer drivers.

14/19 Parish and District Council Elections

Parish and District Council elections are taking place on Thursday May 2nd. At the time of writing, all 7 existing Parish Councillors have confirmed that they will be standing for election. The Council has 7 seats to fill, so if no-one else is standing there will be no need for a contested Parish Council election: however anyone whose name appears on the electoral register is able to stand. A Notice of Election will be placed on the village noticeboards and on the village website as soon as it is received from SODC, which runs the election process. Details of candidates for the District Council elections are not known at present. Please contact Tim Darch (Parish Clerk) if you need any further information on the election process.

15/19 Telephone box

The telephone box has been repainted in advance of 're-purposing' as the location for a defibrillator. The Parish Council is very grateful to Greenford Ltd. for this significant contribution to village life.

16/19 Crime in Milton Common

The Parish Council has been made aware of increased criminal activity in Milton Common. The police have been contacted to ascertain what measures they have put in place in response. Residents are asked to remain vigilant and to report any suspicious activity to the police.

17/19 Development at Milton Lodge (Ives Gate Lane opposite Red Roofs)

To update on the current situation regarding the parking area on Ives Gate Lane, which has been created contrary to the planning application to which it relates.

The next meeting of Great Milton Parish Council will be held on Monday 15th April 2019 immediately following the Annual Parish Meeting, which will start at 7.30pm and to which all are welcome.
