59 CHAIRMAN'S REPORT

The Chairman of the Parish Council did not report on any items.

60 BOROUGH COUNCILLOR'S REPORT

Cllr Davies provided an update on recent developments at Cheshire East Council, including: -

- Area Highways Meeting – reported on discussion about potholes and how they are dealt with. SD offered the parish as a potential test site

61 HIGHWAY MATTERS

61.1 Road Safety and Speed Limits

It was reported that the MP had been contacted about road safety issues in Burland and also in Brindley & Faddiley parishes.

The MP's office had asked for information on road accidents in the area and this had been sent, together with an Fol request made to the Police.

Members asked if a Working Group could be set up to examine the subject.

It was asked how other parishes, e.g. Spurstow Parish Council had sorted these issues out.

It was asked whether funding could be obtained for signage and other information to assist in this matter.

It was agreed that the council is looking to achieve speed reduction and changed speed limits are not likely to be implemented. Therefore, there are two issues to pursue – enforcement (possible speed cameras and greater police presence) and also enhanced highway safety.

It was agreed that greater pressure needed to be placed on Cheshire East Highways officers to get things done.

It was **AGREED** to hold a joint meeting with Burland Parish Council to discuss these matters further.

It was also **AGREED** to send a letter to Cheshire Police on the enforcement issues.

62 PLANNING MATTERS

The Clerk reported that the Site Allocations and Development Policies Document had been issued.

This is the second part of the Local Plan and set out site allocations. It will be adopted next year and includes no allocations in Wrenbury but proposes the area as an 'infill village'.

63 COMMUNICATION/SHARED INFORMATION

The following items were shared with the meeting:

- Broadband issues – this includes the roll-out of 5G and whether planning rules about the heights of masts will improve connectivity
- Goodwill Hall – asked to take down the old lighting units and these were taken to reclamation at Beeston. As a result, £560 was paid for them. It was also noted that around £800 could be paid for the old telephone box. The council **AGREED** to contact BT about the selling of the telephone box.
- Health and Safety Policy – it was **AGREED** to bring the final version to the next council meeting for approval.
- Police – have asked to use Goodwill Hall and have informed the parish council
