# Finance

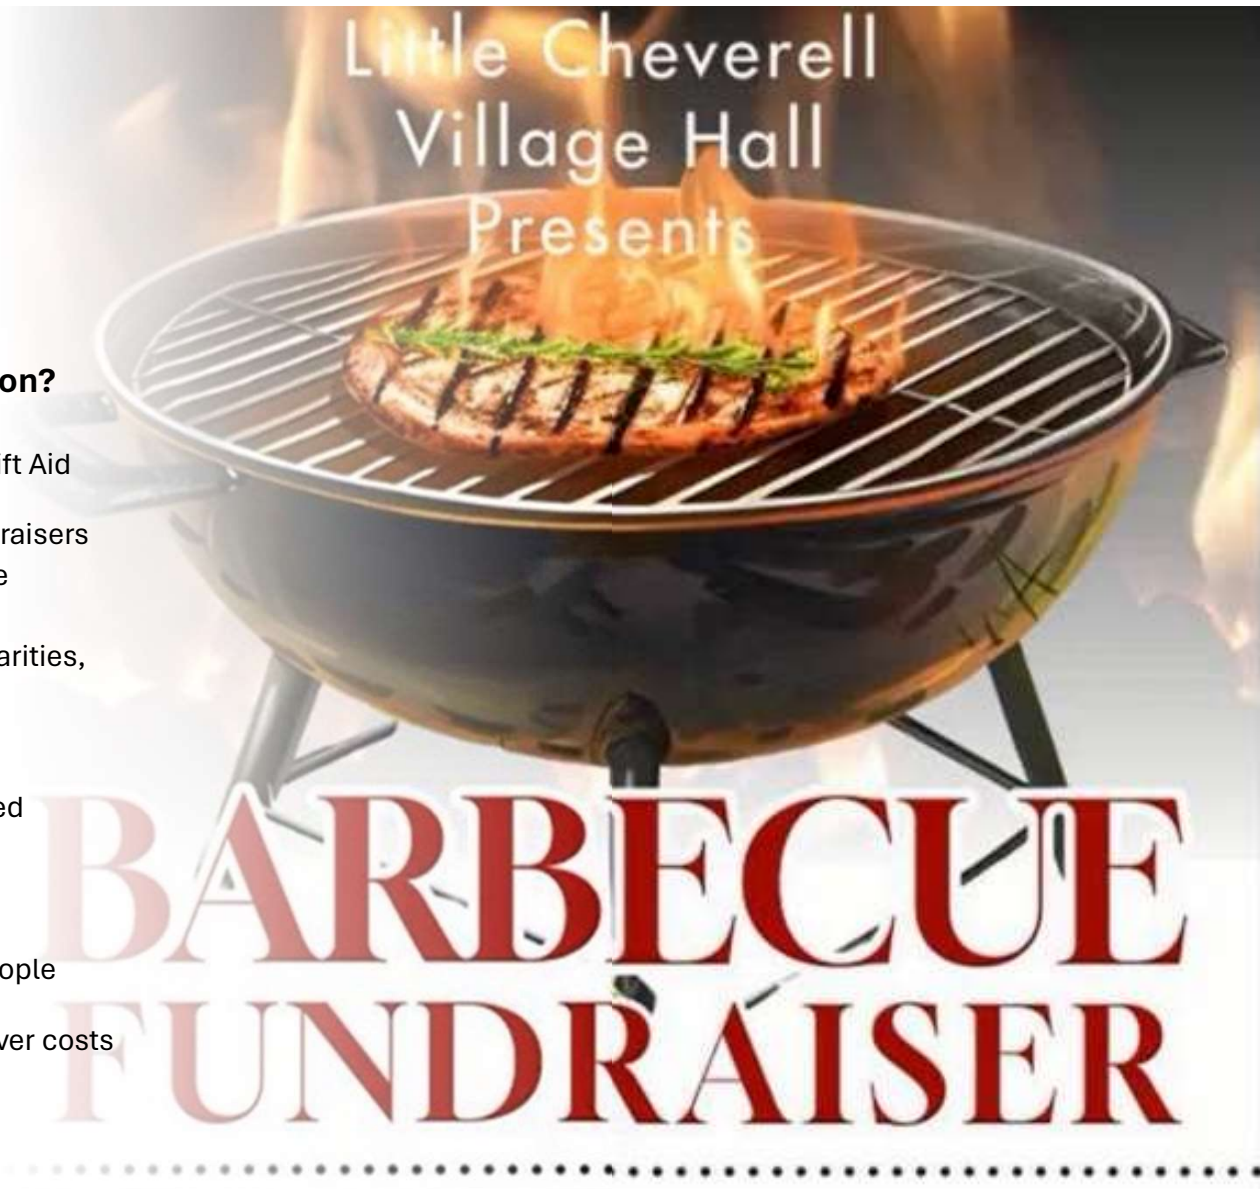

- Income and Expense
  - Net Income year ending March 2024 was £880.60
  - Next 12 months running costs estimated at £1,665
  - Cost of renovations needed are around £100,000
  - We need insulation, heating, new kitchen facilities, new roof for the storeroom, new windows, doors and woodwork, electrical installation and plumbing
  - Asbestos survey
  - External decoration
  - Groundwork to enable parking space installation
  - Planning costs

# Financing Renovation

- **How will we fund the renovation?**

- CAF Fundraiser / Go Fund Me
- Total raised to date £2,615 (Gift Aid excluded)
- Ambition to recruit more fundraisers
- Form a fundraising committee
- Find Commercial partners
- Access grant funding from charities, council and government
- Target >£100,000
- Better commercialize the hall
  - Card Payments accepted
  - Raffle at every event
  - Licenced drink sales
  - Online presence
  - More events open to people outside the village
  - Maximise income to cover costs
  - Encourage rentals

# Why Do We Need To Renovate?

- Rotten windows and doors
- No effective heating
- Poor insulation
- Kitchen needs work
- Damp and mould are a problem
- There is asbestos in the building
- Not currently sustainable for future generations
