GENERAL DATA PROTECTION REGULATIONS

CONSENT FORM

The General Data Protection Regulations (GDPR) came into effect on 25 March 2018, which required the Club to develop and adopt a GDPR Policy, a copy of which is available to read in the clubhouse and on the club website. Members should read this Policy, which covers the data held and how it is used and shared with others. Although the policy did not significantly change the way the Club deals with your personal information, it does require us to ask for and record your specific consent to these matters. It also requires us to renew this consent at regular intervals.

You have previously provided the required personal information on joining the Club and are now being asked to provide informed consent that the Club may use your data as described, contacting you by post, e-mail and/or phone as outlined. Such communications will be restricted to: BE, EBA, EWBA, ECBA, ECWBA and THL matters, club meetings, matches and events; availability for and selection of teams; and other such club-related matters. In addition, you are being asked to confirm your consent to the publication of your name, phone number(s) and E-mail address in the Club Members Contact Directory, which is in the clubhouse.

The Club does not share members' data with any external organisation except BE, EBA, EWBA, ECBA, ECWBA and THL for the purposes of membership and affiliation.

You have the following rights concerning this data, namely:

- To request a copy of the data held about yourself from the Membership Secretary, to be provided within one month;
- The correction of any inaccurate data, to be done within one month;
- The erasure of the data should you leave (or fail to re-join) the Club;
- To withdraw your consent to the use of the data for contact purposes;
- To report any suspected breach of data security to the Club General Secretary.

You have the right to refuse consent to the Club contacting you in any of the ways given but should you do so, you need to be aware that the Club may not be able to contact you about events, matches or urgent issues, such as late cancellation of games.

The Club website will hold no openly available personal information unless it has previously gained specific consent from named individuals to publish their details.

We are asking you to confirm that you have read the GDPR Policy and to confirm your consent to the Club using your data as described above and in the Policy. Please complete the table below and return this notice by e-mail to sylviamcl.bowls@gmail.com or in hard copy to the Club General Secretary or Membership Secretary in an envelope in the mailbox in the clubhouse or at the Spring Meeting.
