

## Moulsford Events

Nigel Baker

Spring is on its way and we are planning the Events calendar as you read this.

First up is the always popular annual Moulsford Village Quiz Night; this year on Saturday, 22nd March with Quiz Master David Reynolds. It's BYOB, pay on the door, £13 including a fish and chip supper. It's a great value fun night; contact Twinks to book in your team on 01491 651548 or if you need some help matching people into teams.

Friday, 25th April we are holding a training evening for anyone wanting to help on the bar and learn the ropes. Find out how to set up the bar and the beer kegs, starting 7pm for an hour or so. Rebellion brewery are coming along to go through the keg system and some of their excellent beers, so there's a free beer on offer for attendees. We hope this will be a great way to help all our bar volunteers, old hands or newbies, ahead of the Friday social season, so please do come along and have a look.

Speaking of which, our first Friday Social will be on Friday, May 2nd. All being well we can coordinate enough bar volunteers for the season and we'll confirm what food will be available nearer the time - we're open to offers from volunteer chefs of course!

All together, we're looking forward to starting off Spring and getting back into our Friday Socials at our lovely Pavilion and Rec.

Any queries on socials, volunteering or anything else events, please do get in touch. See you soon!

## Appointment of permanent Parish Council clerk

We are delighted to welcome Jo Garvey to the role of permanent parish clerk in Moultsford. Jo comes from Berinsfield and, though new to working as a parish clerk, brings over 4 years experience as a councillor to the role. Jo will be assisted for the first few months by our locum clerk, Helen Broughton. Please continue to use the [parishclerk@moultsford-pc.org.uk](mailto:parishclerk@moultsford-pc.org.uk) email address if you have anything you wish to bring to their attention.

## Children's Playground

We are still waiting for drier ground so that the playground can be accessed by the jet washing vehicles for the deep clean. Hopefully this will be completed before Easter. It will be done over a couple of days, during a school week, and will be safe to use when cleaning not in progress.

## Bench on Badger's Bank

The new bench is being stored at Greenlands Farm until the ground is dry enough for it to be transported to Badger's Bank. Our thanks go to John Beacroft and his team for facilitating this task.

## Dog Fencing

We are looking at options and getting quotes for enclosing some of the children's playground with a rustic style fence.

## Tree Survey

A tree survey for the recreation ground has been completed, and we will be reviewing this and any necessary actions resulting from it at our next Parish Council meeting.

## Planning

No planning items were received by the council in February.

## Parish Councillors

We continue to operate in Moultsford with only 4 councillors and urgently need to appoint another to bring us up to full complement. Please, if you think you might be able to help, contact one of the councillors to find out more, or speak directly to myself.

## Annual Village Parish Meeting (APM) 2025

The annual village parish meeting is confirmed as 8th May, 2025, immediately following the Full Council meeting. If you have particular topics you would like us to cover in the APM, please get in contact with any of the councillors. The APM is your meeting so we want to make sure you find it useful and informative.

This year, as the meeting falls on the same date as the VE 80th Anniversary celebrations, we would like to include an exhibition showing some of the history of Moultsford, including the role villagers played in World War 2. We therefore invite members of the village who have photographs showing Moultsford in the past, or whose families lived through the WW2 period to contact us if you have any memorabilia you think other villagers might find interesting. More details regarding the APM to follow in next month's Moultsford News.

*As always, if you have anything you would like to discuss with one of the Parish Councillors, please get in touch via the emails at the back of the newsletter or contact myself directly – [spowell@moultsford-pc.org.uk](mailto:spowell@moultsford-pc.org.uk).*

## The importance of reporting

For many years, the 101 non-emergency contact number for the police has suffered from a poor reputation. This has been an issue nationwide, but it matters not just for those trying to get through, but also for wider public confidence.

We all want to know that if we need help the police - and our other emergency services - will be there. That's why I've been so keen to see improvements to 101. The time taken to answer these non-emergency calls has been gradually coming down over the last year or so, and whilst they will still fluctuate at busy times, the average for January was down to just 1 minute and 9 seconds.

By definition the 101 number is for non-emergency issues, for example reporting a crime that has happened earlier, suspects have left the scene or there's no current risk, but I'm constantly aware that no-one ever wants to contact the police unless something bad has happened. So whilst it may not be an emergency, these calls continue to be treated with the seriousness they deserve.

One of the ways that we've reduced the call times is by providing better updates to victims. Until recently, a large number of calls to 101 were from people who have already reported something to the police, but wanted to get an update. By asking officers to be more proactive in updating victims and by using a new online victims portal for many crimes, victims are now getting more information more swiftly, taking the pressure off of the phone lines. More and more people are also choosing to report online. Whilst it's not for everyone, it can be much easier to report something non-urgent (perhaps if you've been a witness to something) on your phone or computer at [thamesvalley.police.uk](https://thamesvalley.police.uk).

Of course in an emergency always call 999. The calls are answered by the same team of staff, but the emergency calls are prioritised to ensure they're answered in around 10 seconds! Remember that a 999 call isn't only for when someone is in danger, but it might be about a crime that is happening right now and when an emergency response could make a real difference.

My plea is that whatever route you choose, 101, online or 999, please report any crime or concerns you have. Not every call can or should result in a blue-light response and not every crime can be solved, but I can guarantee that the incidents the police really will do nothing about, are those that are never reported to them!

Dear All,

The season of Lent is nearly upon us. It is a time of reflecting on our lives and how we might daily connect with God in prayer, reflection, meditation, bible reading and as part of our everyday lives. So this month I am reflecting on how the fruits of the Spirit grow in our lives:

The nine fruits of the Spirit are Love, Joy, Peace, Patience, Kindness, Goodness, Faithfulness, Gentleness and Self-Control. We don't strive for the fruits of the Spirit, rather we plant ourselves in good soil, allow ourselves to be fed by the Holy Spirit, keep taking in nourishment, turn to face the light of Christ and these fruits will develop and grow in our lives.

Can you tell whether a tree is an apple tree or a pear tree? Not easily when they are in blossom, but very easily when they bear fruit. Bearing fruit takes time and a lot of planting, preparation, nurture and growth.

March is the time of year when gardeners begin to plant seeds ready for summer, but patience is needed – the seeds will take a while to germinate, and the gardener needs to write the names of seeds on labels and not forget which are fruit, flowers and vegetables. The seeds need to be in the dark, or the light, or the warmth or the cool, depending at what stage of life they are at.

So too, is God with us. God writes our names on His heart; God knows what fruit we can bring forth. God nurtures us and gives us light to grow. But first, we need to be planted and that can be scary. Maybe you are feeling in a cold dark place this March, maybe it feels as if you've been buried, maybe you've got a weight above you and you can't see the way out. Just think that maybe you've been buried because you've been planted.

With patience there will be warmth and light, be like a seed, trust God, and begin to grow out of the darkness towards God's marvellous light. We won't see fruit immediately; we have to be nourished and mature and ripen. Patience will be given to us, fruit of the seed of the Holy Spirit, to enable us to have life.

You are more than welcome to join us for worship on Sundays 9am St John the Baptist Moultsford.

God Bless

Rebecca Peters - Vicar
