It was noted that the Independent Internal Auditor had reviewed WPC's records for the year ending 31 March 2021, and had commented that: a. there is no evidence of payroll for the previous Clerk, although payments have been traced to bank statements and expenses have been detailed within the minutes, and b. that the Annual Governance Statement must be approved before the Accounting Statements and that this must be evidenced clearly within the relevant minutes – the order of this was unclear from the minutes reviewed.
