

## COUNTY COACH CO-ORDINATOR A.G.M. REPORT NOVEMBER 2019

I am currently waiting on Bowls England to send an updated list of all the coaches in Somerset. Having looked on their website, there seemed to be an awful lot that had not re-registered, the closing date was the end of September.

I am also sure that there are new coaches at level one, and those who have now taken level two, that need to be in the database.
