

SEEN AN ACCIDENT?

**Let your Parish
Council know.**

It is crucially important that the Parish Council keep a record of all traffic accidents which occur within the parish. Having hard facts on file is often the only way in which we can persuade the Highway Authorities that consideration may need to be given, for example, to reducing the speed limit on certain roads to help prevent accidents from happening in the future.

This is particularly important at known accident hot-spots.

Please report any incident to the Parish Clerk on 862927 or
