

EXPLANATORY STATEMENT

THIS EXPLANATORY STATEMENT DOES NOT FORM PART OF THE ORDER

Public footpaths, bridleways, restricted byways and byways open to all traffic are recorded on definitive maps and statements. These maps and statements provide conclusive legal evidence of the existence of public rights of way. Dorset Council is responsible for the definitive map and statement and has a legal duty to change them when evidence suggests that they are inaccurate or incomplete. One of the ways these changes can be made is by means of modification orders under Section 53 of the Wildlife and Countryside Act 1981. These orders do not come into effect until they are confirmed. Before that happens, members of the public have a right to make objections or representations about the order. If there are any objections then the Council must refer the order and the objections to the Department for Environment, Food and Rural Affairs, which will decide whether or not to confirm the order.

In this case Dorset Council has made a modification order to add a section of bridleway (part of Bridleway 33, Stourton Caundle) to the definitive map and to correct the definitive statement for the entire length of Bridleway 33, Stourton Caundle.

For your information, definitions of the categories of public rights of way are given overleaf.

If you wish to make representations about the Order, you must write to Sue Phillips, Definitive Map Team Case Officer, Spatial Planning, Dorset Council, County Hall, Colliton Park, Dorchester, Dorset, DT1 1XJ (Ref: RW/T721), or via email to susan.phillips@dorsetcouncil.gov.uk, not later than 07 July 2023. Please state the grounds on which they are made. Any letters received will be made available for public inspection.

You have a statutory right to object to the Order but your comments should be legally relevant. This means that they should relate to the existence or the status of the right of way in question. Other objections, for example about privacy or security, may not be legally relevant. Any letters received will be made available for public inspection.

Usually the Department for Environment, Food and Rural Affairs does not award costs, either to Dorset Council or to objectors. They may make an award of costs if objectors unreasonably maintain objections which are not legally relevant or which cannot be sustained.

If you are considering objecting to the Order and would like to talk to someone or if you have any concerns about the Order, please telephone Sue Phillips on 01305 221409 or email susan.phillips@dorsetcouncil.gov.uk, who will be happy to help.
