3. Minutes of Meeting held 18th July, 2018-approved and signed as true record P/S Cllrs L.Mockridge/Cope

4. Matters arising from minutes-none

5. Planning Applications

5.1 Pre-application information for Hill Crest Farm, Treswell

Rep. from Alderlin Designs gave overview of project, then introduced Mr/Mrs Barlow, clients. Mr. Barlow gave brief employment history, then proposed plans (plans on display):

1. Workshop and stables; all wood burning apparatus would be removed
2. Plans include large metal shed to east of site for his personal use- light engineering
3. Personal weekend- motoring interest- attends meets, none of motors will be kept at Hill Crest Farm, only personal vehicles and those connected with liveries will park on premises
4. Intends to purchase small tractor/trailer and implements to maintain paddock area and offer services- grass cutting, hedges, small projects locally
5. Intends to operate 'do-it-yourself-liveries x2. 3 stables; 2 for horses, 3rd for tack room/food etc. Hay/bedding in barn; to be confirmed. Rear paddock for grazing
6. Confirmed operation hours would conform with present permitted 'use'; 9-5pm Monday-Friday, no Saturday/Sunday and Bank Holiday activity (? Liveries)

The members of the public present first thanked Mr. Barlow for attending this meeting to answer their queries- welcome and appreciated. Concerns raised included:

- Workshop: noise, smells, light etc, visibility from road and neighbouring homes
- Traffic in/out, motoring 'hobby', will this extend to this site?
- will conform and work with conditions on existing planning and any others to be stated should planning be approved
- ensure this site is controlled in terms of specific minimal activity (as described) to the prospective owner, and is limited by planning conditions to ensure 'motor interest' does not develop into a full-time motor repair and tuning centre in future years
- Serious concerns raised regarding DIY Liveries for which Mr. Barlow, self-confessed, he had little knowledge, experience or interest. The Parish Council urges Mr. Barlow to investigate further this aspect of his proposed plans; security, health and safety of horses and his would-be clients- meet other successful yard owners who offer these services to understand the extensive requirements to operate a safe, successful DIY livery yard

ACTION: Clerk to send comments to Alderlin Designs, Long Bennington

5.2 Sundown Adventureland Update:

Clerk confirmed that Planning Committee meeting held at Worksop was adjourned because Planning Committee required more information clarifying proposed entry/exit. Those present concerned that other important issues discounted. Highways to be re-consulted, amended plans will go out again for consultation. **ACTION: Clerk to keep all informed**

5.3 Retain unlawful change of use at Lazy Acre, Town Street, Treswell
