Under 30's single tournament 11-01-26

We had a total number of eight players on the day, but had previously had quite a few more. Unfortunately, a few people dropped out due to illness and others due to other commitments.

The group stages were played in good spirit and we would like to thank the following people - President Leighton Burston, Ian Turner, the parents, guardians and grandparents for their help and support on the day to make it run smoothly and with helping to mark the games.

Players who attended – Lyle Atkins, David Evans, Thomas Carter, Nate Payne, Keelan Payne, Andrew Moore, Connor Fielder & Daniel Humphreys

The semi finals consisted of Connor Fielder and Thomas Carter from Group A and Daniel Humphreys and Andrew Moore from Group B.

Semi Finals:

Games drawn by President Leighton Burston. Andrew Moore v Connor Fielder, Thomas Carter v Daniel Humphreys.

Two very good semi-final games were played on both rinks, and one resulted in a three end tie break.

The two finalists who will play at Honiton on Finals day/weekend are Andrew Moore and Daniel Humphreys.
