

Highways Improvement Request Form

Name: [REDACTED]	Date: 23 NOVEMBER 2023
Address: [REDACTED]	
Telephone No: [REDACTED] 6	
Email Address: [REDACTED]	
Location of Issue: A3102 Lyneham	
Community Area: Royal Wootton Bassett & Cricklade	
Parish or Town Council: Lyneham & Bradenstoke	
Nature of Issue: (The A3102 through Lyneham carries a high volume of vehicles currently. This is likely to increase once the 3 large housing developments (300+Houses) are completed. Presently there is a zebra crossing beside the MOD Lyneham main entrance, a light controlled crossing beside the Co-op and a central refuge outside Piggies Café and nothing in between. Due to the high volume of traffic it is unsafe to cross the road between the existing crossing, especially for children, older people and those using mobility scooters. Max 600 characters)	
How long has it been an issue? Several years and likely to become more so in future.	
What would you like done to resolve this issue? I would like to see a zebra crossing or central refuge somewhere between the existing crossings, to aid safe crossing of the A3102. One possibility is outside The Mallard Pub and Hello Gorgeous Beauty Salon, which is a relatively busy area presently. (Max 600 characters)	
Have you been in touch with your local Wiltshire Councillor? (Yes/No) Yes
