The amount of interest we've paid on your above account during the year to 05 Apr 20 is as follows:

TAX YEAR	06 Apr 19 - 05 Apr 20
Interest and Tax Details	
Gross Interest (before tax)	£121.46

### Notes

Your interest will be paid gross (without taking off tax). If your account has changed from joint to sole or vice versa during the tax year you may need to refer to your statements to help work out the amount of interest paid to each person. Depending on your personal circumstances, tax may be due on the interest and it is your responsibility to disclose and pay any tax due directly to HM Revenue and Customs (HMRC).

The items and balance shown should be verified. If we have paid you any compensatory interest, this will have been paid net of tax and will not be included in the information above. We will have written to you when that payment was made.

Details of all rates and calculations of any interest charged are available on request to your branch. In addition, details of interest rates can be obtained via the savings interest rate line **0345 975 8758**.

Unfortunately, we cannot produce an Annual Interest Summary automatically for passbook accounts. If you require an Interest Statement for a passbook account please contact your nearest branch.
