28 November 2019

Dear Ken,

We, at Torquay United IBC, would like to propose a new format for the Interclub fixtures for next year. Travel is now a real problem in fulfilling fixtures. We find that the older bowlers, and some new members, are not willing to travel long distances. For instance, travelling to Kingsley for our club would take eight hours out of your day and members with pets etc. are not prepared to be away for that length of time.

The following is just a suggestion for your consideration as to how the two sections could operate.

Section 1  
South Hams  
Plymouth A  
Plymouth B  
Torbay A  
Torbay B  
Torquay United  
Dawlish

Section 2  
Kingsley  
Honiton  
Mid Devon  
Exonia  
Isca A  
Isca B  
Sidmouth  
Madeira

Cutting travel may encourage clubs to enter more than one team and that includes us here at Torquay United. Club members priorities are changing and I think this suggestion come proposal is worthy of consideration.

Yours sincerely,

John Evans  
(President)

Ken Brenchley  
Secretary Devon County Indoor Bowling Association  
Alauda  
13a Yonder Meadow  
STOKE GABRIEL  
Totnes TQ9 6QE

Dear Ken

We at Kingsley Indoor Bowling Club are part of the whole picture within Devon County Indoor Bowling Association and fully support sensible and well thought out suggestions/proposals. We are very disappointed at this attempt to split the County in this way as this represents a total travel mileage of 744 for KIBC, whilst for Torquay, it is approximately 190. We feel we can reply to this as a Committee as our Club has been named within the suggestion/proposal.

We would suggest that if Torquay is struggling with regard to fulfilling fixtures should they consider not entering into the ICL next year?

Yours faithfully

Carol Ann Redclift  
Club Secretary
