Just a reminder our meeting is still available to anyone who has had a sad loss of loved ones. We have great conversation, and laugh, but still remembering those who have passed away. It may feel difficult to walk through the door on your own, but be well assured, you will soon feel "at home". Please contact Jackie 07840 258665 for any queries. We even have a social secretary, who arranges day outings for us.

CRAFT MORNING, TUESDAY 25 JULY 2023, 10AM TO 12PM

All are welcome to come.

THANK YOU'S

From Jackie Swift:

The church always likes to acknowledge and thank people for their help and kindness. Firstly, we thank Bradley Jacobs for his generous help in repairing the music system. Such a great job successfully completed. Following on, Chris and David for their hard work in removing ivy around the church building, Peter for his odd jobs. Always remembering the ladies who help with the cleaning. Michelle for years of putting out the bins. The ladies who help serving tea, for visitors. Not forgetting Dawn and Jo, for their roles on the PCC, and the PCC members. Lastly, the clergy, for their dedication. All in all, the church could not function without all the people behind the scenes. Your name may not have been mentioned but you know who you are, and so do we. Many blessings to you all.

FOOD FOR THOUGHT

Dear Friends

I hope by the time you read this that summer will have arrived. As I write this in June half term the temperature is nothing like it should be. Taking the grandchildren to Faversham outdoor pool was not the experience it should have been.

When you read this in July, Wimbledon will probably be over and Holiday season started. For me it will be a busy time of Weddings, Baptisms, and the Golf season. Golf courses will have firm running fairways and greens where the ball just keeps on rolling. Barbeques will be fired up and beer, Rose/ white wine and Gin sales will be on the rise. Beach trips and social occasions in the garden may be the things that become a focus during the warmer weather. With the unreliability of our

weather many people will feel the need to make hay while the sun shines and take advantage of every good weather day that comes along.

And why not after the isolation and hardships of Covid 19 and the economic difficulties caused by the fuel and food price issues, that have been a consequence of the Ukraine war.

For many this is ongoing, due to long Covid or grief due to losing loved ones. The financial crisis may be affecting many, that thinking about a holiday or having spare money to have people round may feel unrealistic.

The summer can have the affect of raising our mood with the warmth and natural beauty of nature surrounding us. However, some may find the heat and the hay fever season a bit of a trial.

Jesus in Johns Gospel said he had come so that we could have life and have it in abundance. This may look very different to each one of us as we are all different and have different likes and needs.

Whatever you like to do in the summer I hope you will find it enjoyable and that it enhances your life and those you love or care for. I remember as a child going on a weekly ticket down to the seaside towns of the Kent coast. It was all we could afford but I remember those holidays with as much fondness as trips to Spain or Greece. Remember to enjoy the beauty that is in your back garden and the area around you. Sometimes the best things in life are free.

Blessings

Rev Nick

AND SOME MORE THANK YOUS

More from Jackie Swift:

I must not forget the Village News people, Gill the editor, who puts together our monthly “goings on” which is so important for our village life. Glenda, who coordinates the magazines, and then delivers them to

the various people who kindly pops them in our doors. A great team. So many thanks.

The Poetry Festival - This year Lord Byron - a very colourful poet
A great day, which was organised by Carina and her team. The weather was perfect and the day went well. Stories were told, poems were read, books to read, and even a television to watch. Cllr Mike Baldock always supports the Festival (and the village), and last of all refreshments were served. Well done everyone.

And a big thank you to Jackie who does so much for our village. Gill

FRIENDS OF THE BRICKFIELDS

An update from Judy Telford:

The very dry summer last year coupled with the cool northerly winds we've had for weeks have been bad for our insects, very few bees and butterflies about, hopefully the warmer weather will see a few more emerging. There are a few young birds about now so please keep your dogs under close control to avoid disturbing the babies.

We are in the middle of another prolonged dry period so please, please do not light fires nor have barbecues on the Brickfield. The signs at the gates are pretty clear but still we see piles of ash on the site, sooner or

later there'll be another wildfire and maybe someone hurt or property damaged.

On a lighter note, the flower plot behind the War Memorial is beginning to look like a flower plot at last, shows what the site would be like if we didn't have so many rabbits! If you are walking on the Brickie please take time to go and look at the flowers and the many different grasses growing inside the fenced off area behind the memorial.

Our next work party will be on Sunday 9 July 2023, meet at 10am at the gate at the end of Lapwing Drive. All welcome and if you don't feel you are able to help just come along and chat to us, see what we do and find out our plans for the future.

If you are on Facebook we have a page; Friends of the Lower Halstow Brickfields on which we share news and history plus the natural world on the site. Otherwise we can be contacted by email; friendsofthebrickfields@gmail.com or on 07486 530068

MOBILE LIBRARY

The mobile library stops outside the Memorial Hall fortnightly from 1.50pm to 2.30pm. The next dates are Thursdays 13 and 27 July 2023

MOBILITY ITEMS

A temporary home has been found for the village mobility items, a minimum of 24 hours notice is needed at present and the contact details are: Jackie Swift 842749 or Dawn Drury 842688

KEEP FIT GROUP

A friendly group of ladies meet for local walks on Monday/Wednesday evenings from the Memorial Hall. For more information call Liz on 842272.

LOWER HALSTOW WALKERS

All are welcome.

Starting at 10am every Monday, including Bank Holidays, from the end of Lapwing Drive, by the Brickfields, and usually there will be two walks on offer; a brisk 2 hour walk and a one and a half/two hour walk at a more moderate pace (the slower walk will have opportunities for an earlier detour if the distance is longer than some walkers can manage).

Walkers who want to go faster can, but will be asked to wait for the rest of the group at suitable points, as currently happens, this way we can be inclusive of everyone. A short walk will be available for up to one hour if people request it in advance, please contact Margaret on 07964 067915 to arrange it.

The first Monday of every month when we walk to the golf club we will still have two walks, one taking the shortest route possible, arriving first and therefore being served first. Sturdy walking shoes/boots and a waterproof jacket are recommended.

Please phone Margaret on 843927 for more information

LOWER HALSTOW PRIMARY SCHOOL

The whole school have been thinking about being charitable this term and have planned and led a range of fundraising activities to support two charities of their choice. Each class chose some charities that meant something to them and then the school council voted on their favourites. Lower Halstow School chose to support Cancer Research UK and the World Wildlife Fund. Each class decided on what they would do to raise money. The events included 'Break the Rules' days, a cake sale, a sponsored run and a lemonade sale. The proceeds are still being counted however, each class was proud of what they had achieved.

Acorn Class (Year R) visited Curly's Farm on the Isle of Sheppey and tried their hand at being farmers for the day. They learnt what it takes to care for the livestock, where our food comes from and engaged in lots of hands on learning activities, including feeding the animals. Meanwhile our Year 6 children attended a Safety in Action event at Swallows Leisure centre – the aim was to make them aware of staying safe as they head off to their secondary schools.

To celebrate the end of the Year 2 'special tests', the children in Willow class enjoyed an afternoon of reading with their families in the school hall. Many books were enjoyed and a few snacks made it even more special.

The Summer terms are great for sporting events and this term kicked off (excuse the pun) by some of our Year 6 children entering a Tag Rugby competition in which they all came back with medals! We were very proud of their sportsmanship and how well they represented our school. We look forward to many more sporting events this term.

Willow Class feature:

Willow class have had an amazing term so far! They have all enjoyed writing their own poems inspired by Lord Byron ready to be displayed in the church as part of the Lower Halstow Poetry Festival. They wrote all about the seasons and what they might see and do in each season.

Amelie's favourite season was Summer as it reminded her of the colours pink, yellow, orange and red. Alice liked Winter as it reminded her of the colours pastel blue, white, sky blue, muted purple and navy.

Priscilla's favourite thing this term was the lemonade stand. The children made their own lemonade and then sold it after school to raise money for WWF as part of the school's Charity Week. They had to create their own posters, research recipes and carefully consider the pricing. Dylan told us that we needed to have water, lemons, cups, honey and sugar. Willow added that we need "strawberries and raspberries for strawberry lemonade" which Christopher thought should be called 'Strawberry-ade'.

The children have started a wonderful topic based around Kenya, they have had great fun comparing the village in 'Lila and the Secret of the Rain' with our village, Lower Halstow.

Willow class have had a fabulous year and cannot believe it is Term 6 already! They've learnt so much and cannot wait for the adventures of Year 3.'

LOWER HALSTOW SCARECROW TRAIL 2023

Message from Judy Haynes:

The scarecrow trail is back and will be running from Friday 20th to Sunday 29th October. The theme this year is Heroes and Heroines, Fact or Fiction. If you would like to build a scarecrow, or host a scarecrow in

your garden, then please register your interest by dropping us an email at the address below. We'll send over a link to the registration form closer to the time.

There is a small change this year as the main organisers have children in their final year of school. To ensure the continuation of the trail, it has been agreed with the school that the scarecrow trail can break away into its own community group. Funds will still be donated to the school. If you are associated with the village, and are interested in joining the new community group, then please get in touch. We'd love to hear from you. Our new email address is lowerhalstowscarecrows@gmail.com . Thanks for your ongoing support.

LOWER HALSTOW PARISH COUNCIL UPDATE

To mark the King's coronation, the Parish Council has purchased an Alder tree. As the tree is just a sapling it will be planted during the winter months in its final position near the Jubilee oak tree.

Don't forget to keep an eye on the Parish Council website (<https://www.hugofox.com/community/lower-halstow-parish-council-17855/home>) where you will find notices of local road closures, Parish Council policies, agendas and Minutes amongst other things. The Parish Council will post some items on the Village Facebook group, but this is not their main method to inform residents and it is not monitored by the council. Please contact the Clerk via email: clerk.lhpc@gmail.com or on 01760 336459 if you have any queries.

FUNDRAISE FOR KSS THIS SUMMER

Air Ambulance Charity Kent Surrey Sussex (KSS) delivers world-leading pre-hospital emergency care 24/7 to the 4.8 million people who live in its region – plus the many millions more who travel through this area, which has some of the busiest roads in the country. Its crews of pilots, doctors and paramedics responded to 3,224 incidents in 2022, the charity's busiest year in its 33-year history.

Each year, the charity must raise £16.6M – equivalent to £45K per day - to operate its life-saving service, with 87% of its total income raised through the generosity of its supporters. Throughout the year, KSS organises a number of different fundraising events and, this summer, there are lots of opportunities to take part and help the life-saving charity raise vital funds.

Cuppa for your Crew

This summer, why not host a Cuppa for your Crew by bringing together friends and family for a cuppa and slice of something nice? Whether you host a coffee morning or bake sale stall - at home, work or as part of a community group – each sweet treat sold and cuppa consumed will help KSS to keep flying and save lives.

100 miles in July

Can you cover 100 miles in a month and raise money for your local air ambulance charity? You have the whole of July to complete the miles in any way you want, from roller skating to running, swimming to skipping, paddle-boarding to power walking - it's up to you! Team up with family or friends and split the miles between you or complete your miles solo.

KSS Ride

Returning for its third year on Sunday 20 August, KSS Ride offers horse riders the opportunity to enjoy an eight-mile hack through the beautiful woodland and farmland of the Bilsington Priory Estate in Kent whilst raising funds. Pre-booking is required: aakss.org/kssride

Lauren Simmons, Head of Events at KSS, said: "Every pound raised by taking part in our fundraising events makes a real difference, helping us to ensure we can be there for the most critically ill patients in their hour of need. On behalf of KSS, a very big thank you to everyone who supports us. We could not do what we do without you."
