Report:	
Parish Directories	
<p>The Parish Directories are about to be published, having been sent to everyone included with an email for proof-reading. Those who offered a telephone number only have been contacted (where at all possible) by the Clerk to ensure that the number recorded is correct. All have agreed, through submitting a form, to treating the Directories, especially the Community Directory (part one of the Directories), with due care and not to share with those who are not included therein.</p>	
<p>The Directories have been received positively: I only hope that they will be of practical help in aiding communication.</p>	
Llanfair Times incorporating Lloyney News	
<p>The feedback from this publication continues to be favourable. The Editorial Committee has endeavoured to be as inclusive and wide-ranging in the contents of the paper, trying to cater for a wide range of interests. The Editorial Committee has recently discussed, and hopes to include, a focus for children and young people as soon as possible.</p>	
Welcome Packs	
<p>One Council Welcome Pack has been delivered since the last meeting.</p>	
New Parishioners' Welcome Party	
<p>The latest party took place at Melin y Grogue on 12 March. 14 new parishioners attended and councillors and some partners were also present.</p>
