

# QUATT MALVERN PARISH COUNCIL

## GRANT APPLICATION

Each year the Parish Council has a small budget allocation available to give as grants to local organisations to help you improve the well being of people living in Quatt.

Before reading on, please check that you or your organisation is eligible for a grant.

### **About you**

- You can apply as an individual or on behalf of an organisation
- You must either live or work in the Parish of Quatt Malvern or be very closely associated with the Parish.

### **Your idea for a grant must**

- The former description of this Grant was “Section 137” to benefit the Parish.
- Now “To Improve the well being” of people in the Parish of Quatt Malvern.

### **Your application should be**

- Ideally for a small sum of money - say £500 - but this smaller amount allows us to spread limited available finance further.
- Larger sums of money up to a maximum of £2500 may be considered.
- Matching funding (say 25%-50%) must be sought against larger sums.
- For something that might be difficult to find funding from elsewhere.

### **Help with your application**

If you are thinking of making an application, please do talk to the Parish Clerk.

If you do not meet all the criteria listed above it might still be possible to apply for a grant from us or elsewhere, but you should certainly talk to the Parish Clerk first.

### **Timetable for applications**

The deadline for applications will be 28 days prior to our next full Meeting of the Council – (held every two months).

If all the funding is not distributed at the end of the year, it is not automatically carried forward into another financial year, although a minuted agreement to do so will be allowed. The Finance Committee of the Council meet annually in November and will set a budget for this funding based on the rules set to Local Government for “Well Being” or Section 137 as it was called and which varies each year dependent upon the electorate number.

### **Number of grants to be awarded**

The Council is hoping to award between three or four grants each year, subject to the limits of the fund.

**When you have finished your project**

We shall expect you to spend the grant within 12 months and submit a short report and statement of accounts. The Parish Clerk will explain the format of the report and accounts to you.

**If your grant award is not successful**

We shall explain why your application was not successful and advise you about further applications.

**Application Form**

Please complete the form in black ink and return it to the Clerk as soon as possible.

Information therein will be photocopied and delivered to all Councillors.

You can submit the form by hand or post to the Parish Clerk's Office or by e-mail.
