**July 2018**

## **TRAFFIC CALMING - HAPPENING SOON**

More than 40 Villagers attended the meeting with KCC Highways on 25<sup>th</sup> June, so many of you will be aware of the proposals for traffic calming through the Village. The ultimate solution remains the provision of a by-pass via Columbus Avenue, but this work will at least slow down the traffic passing through the village, and possibly deter those who use the village as a race track, pending the long term solution as set out in the Local Plan.

You will also be aware of the views expressed by Villagers as to the appropriateness of the plans relative to the perceived needs. In all there was a good exchange of views, and whilst the proposals were broadly welcomed, there were a number who thought that the proposals did not go anything like far enough, particularly in respect of residents of Margate Hill.

However, the consensus was that the proposals as put forward should go ahead, modified in some small details, and KCC Highways agreed to take away a number of future enhancements for further consideration, including the extension of the 30MPH Zone from the edge of the Village to the Acol Roundabout beyond Cleve Court and the trial closure of Crispe Road to stop the Brooks End to Shottendane Road rat-run.

KCC Highways will shortly be sending a leaflet to each household in the Village giving details of the work to be undertaken and advising that work will commence on 30<sup>th</sup> July (the delay from the previous planned start date has been negotiated to allow the AHS Summer Show to take place on 28<sup>th</sup> July without disruption).

This traffic calming has been achieved as a result of many years of lobbying and with the support of many people down the years. We are grateful to all those who have contributed to this small victory for the village.

## **CROWN & SCEPTRE**

Villagers will be pleased to know that the latest appeal by the developer against the enforcement notice issued by TDC in February has been firmly rejected by the Planning Inspectorate. Thus the developer should now be required to reinstate the façade of the Crown & Sceptre at the earliest possible moment.

We look forward to the restoration of our old building and the removal of the eyesore blighting the centre of our village, and are in regular contact with TDC Planning to try to ensure that they discharge their enforcement responsibilities.

## **POLICE SURGERY**

Acol has a new PCSO, Deborah Forsyth, and she is keen to meet villagers and provide them with an opportunity to raise issues of policing etc. To that end she is proposing to hold what she hopes will be the first of a regular series of Police Surgeries on 1<sup>st</sup> August 2018, starting at 2.00pm for one hour. Please drop in to meet the PCSO and make her welcome.

### **NEW APPOINTMENT SYSTEM**

With effect from 25th June the existing "sit and wait" appointment system will be replaced by a new "Acute Clinic" which will be primarily for general and minor ailments. For example: Coughs, Colds, 'Flu, Temperatures, Various Infections, Conjunctivitis, Sickness and diarrhoea, Severe Indigestion, Exacerbation of Asthma and COPD. A GP and/or Nurse Practitioner will be holding daily "Telephone Triage Clinics" every morning, who will then allocate appointments with the Acute Clinic where appropriate. Also available on the day, will be appointments for those patients who have previously seen a Doctor, had recent hospital referrals or have ongoing medical conditions. Medication Reviews will still be available to book in advance where necessary. For further detailed information please see the posters on our notice boards in the waiting room.

### **IT'S HOLIDAY TIME**

Please remember to order your Repeat Prescriptions in good time, and most importantly, check whether your Annual Review is imminent. Please also remember that our Healthcare Professionals take their holidays at this time as well and our resources may be slightly stretched, so please make your appointments in good time and ensure they are used appropriately.

### **SURGERY CLOSURE DAYS**

Please note that the surgery will close from 12.00 Mid-day onwards on the following days:

Staff Training - Wednesday 18th July;

Bank Holiday - Monday 27th August - closed all day

Please ensure that you have sufficient medication to last you during these times, and of course, please include all the family who may require repeat prescriptions and check when their medication review appointment is due.

Should you need to see a Doctor when the surgery is closed, please call the NHS 111 Service via the normal surgery number 821333 where you will be transferred automatically, or you can call direct on 111, to receive non-urgent confidential health advice and information for you and your family.

For Urgent/Life threatening cases please dial 999 as normal.
