Village car parking:

Last autumn, the Parish Council conducted a survey throughout the village to establish whether there was a need for additional car parking to accommodate residents. The responses have been analysed and the

full report is available [here](#). In summary, there are areas of the village where residents have difficulty parking, but overall there appears to be little demand for additional spaces with the exception of village

events. In these circumstances, the recreation ground can be used.

Multi-Use Games Area (MUGA): The Parish Council has submitted an application for a grant towards the costs of the MUGA. A contractor has been chosen and it is anticipated work will start in the Autumn. This will cause inconvenience along School Lane/Park Lane and residents will be advised nearer the time and temporary signs put out if necessary.

Apps for smartphone: [My Winchester](#) and [My Council](#) Just released and useful to report pot holes, etc on your walks.

Broadband

Superfast broadband in the Meon Valley:

Between July and September, BDUK intend to roll out superfast broadband to certain postcodes in the area. Full article and postcodes [here](#).

Droxford Surgery connectivity: The practice does not have the authority to approve/ install IT equipment as this is owned and funded by an external provider. The Practice Manager is aware of local residents' concern at the reduction of hours and is working towards resolving the broadband speed with the provider.
