

Staplehurst Parish Council

PARISH COUNCILLOR DAVID GEORGE

WRITTEN STATEMENT

I was born and raised in Kent and moved to Staplehurst 41 years ago.
I am married with two children and four grandchildren all of whom have attended or attending local schools.

After spending most of my working life as an air conditioning design engineer I started a gardening business from which I retired ten years ago.

My interests are the environment, astronomy, walking, running and gardening.
I am looking to serve the village of Staplehurst in any way that I can as a Parish Councillor.
