## 42/24 To receive an update on Highways Matters Raised with Notts County Council/Bassetlaw District Council and to escalate a list of outstanding items with Notts County Council via the County Cllr where necessary

In the 1st instance, cllrs and members of the public should report all new highways matters (street lights, overgrown hedges/trees, pavement/road problems/drainage etc) on the on-line Notts County Council website or MyNotts App, themselves, then, should no action have been taken NCC, bring it to the Parish Council meeting for escalation. The following outstanding Notts County Council items have been chased by the Clerk in between meetings, and Cllr Ogle copied in to escalate issues where necessary:

County Council Item	Issue/Detail	Potential Solution	Progress Made
<b>Treswell Wood - Treswell Wood Icy Road</b>	7 car pile-up on black ice near Treswell Wood	Speed Limit lowered; road added to gritting route & ice awareness signs	27.03.2023 Reply from Highways Manager – “The Ice warning signs shouldn’t be a problem. I’ve contacted the winter maintenance team and requested that this location be assessed for gritting. There have been zero reported accidents since 2019 along this road. (It can take up to 6 months for new additions such as the pile up to come through to us). <b>Therefore, we wouldn’t look to reduce the speed limit at this location.</b> ” 03.04.2023 Reply from Highways Manager – ‘I’ve spoken to the relevant manager regarding adding to the gritting route and unfortunately, he has stated it <b>does not meet the criteria to be included in the gritting routes.</b>

			<p><i>'I have added the Ice Warning signs to my list of schemes for the 24/25 period and will ensure they are done in Q1 (Apr-Jun) to be ready for the winter next year.'</i> 16/05/2023 Chase sent to the Highways Manager regards the sign installation. 21/06/2023 update received <i>"the ice warning signs; I have put these in the programme and they will be installed in the 2024/25 financial year all being well."</i> 20/03/2024 Cllr Howard advised that he has completed works with Notts Wildlife Trust at clearing out the dyke beside the wood, some tree pruning to clear back the canopy shadowing the road are to take place soon. 22/05/2024 The Clerk will Chase the Highways Manager for an update on the estimated install date for the Ice signage. 19/09/2024 The Clerk will chase the Highways Manager once more and Cc in Cllr Ogle so the matter can be escalated.</p>

- **23/00016/ENF Land at Cottam including 12.91 and 5.5 acres at horse pasture lane** – Planning application refused. BDC Planning enforcement team are in contact with the owner. BDC contacted owner and await their submission of a planning application. However, there are no other publicly known details until the investigation is concluded. Clerk to email back to Bassetlaw Planning to ask how much longer the applicant has to submit an application? The response received was *"This is an ongoing investigation and as such we cannot provide the parish council with any additional information at this time."* Item removed from the future agenda because Bassetlaw Planning have now advised *"no further updates will be provided to parish councils, and they should now look at the online portal instead."*
