

North Pennines National Landscape

North Pennines e-news December 2023

[View in browser](#)

Welcome to the December issue of the North Pennines e-newsletter. We're sharing news about this year's High Nature Value Farming Awards, and information of how to book your place for the North Pennines National Landscape's Annual Forum.

Due to popular demand we have increased the allocation for the online event - Secrets of the stones, discussing the past, present and future of the Long Meg complex. We are share news of two online webinars being held in January 2024 discussing how to decarbonise your business.
