# Village Hall News

[www.graftygreenvillagehall.co.uk](http://www.graftygreenvillagehall.co.uk)

The **Village Hall AGM** was held recently. No new volunteers came forward to join the management committee, which is a shame, but the existing stalwarts all agreed to serve for another year and so the committee continues to comprise myself, Carol Hulm (Secretary), Robert Turner (Treasurer), Sue Burch, Liz Burgess, Stefi Graziola, Sandra Pilborough, Jacky Simmons, Jacqui Thompson and John & Angela Thompson.

Our finances are in good shape, thanks to the efforts of this team in organising social events like last year's 'Animal Antics' and the Mexican Fiesta, and fund-raisers like 'Phil The Bag'. Hall lettings also contribute very significantly to our income, and letting income was up marginally last year, following a small increase in the hourly charge a year ago. The rate will be reviewed again at our next AGM but presently remains at just £7.50 an hour for local residents and regular hirers. Do consider hiring the Hall for your own private parties or commercial events, as it will help to sustain us. Carol Hulm is the contact for bookings. Her details are always on the inside front page of the Malherbe Monthly.

Looking ahead, I must offer a huge 'thank you' to the several people who have now come forward to help the committee with this year's **fete**, which will be held on **2 September** and which will have a medieval theme. At the time of writing, ideas are still being formulated, but the enclosed flyer gives you an idea of our current thinking. It's shaping up to be another really fun event! Make sure the date is on your calendar. Which reminds me...

The Hall Committee has now taken on the task of producing the **village calendar** each year (picking up on the original initiative of Chris King) and we're looking for ideas for illustrating next year's issue. We thought we might have a theme of 'happenings' within the village. By this we mean not only photos of social events that have been organised over the years but also, for example, of extreme weather events, like the deep snow of the early 1980s. If you have any photos that might vaguely fall into this category do please let me know.

Alternatively, if we can't get enough images on this topic, do you have *any* photograph of which you are particularly proud and which you think others might like to hang on their wall for a month next year? If so, please get in touch. Obviously we're not looking for snaps of your family on holiday, however good they are, but if you have a photograph which is humorous, beautiful or intriguing (like an abstract pattern from nature, for example) this could be your chance to have it published.

That's it for this month. Back in July.

*Richard Pilborough,*

Hall Committee Chairman.

10am – 4pm

This indoor event will take part in the largest 14<sup>th</sup> century Tithe Barn in the country, situated in the beautiful village of Lenham. Following the great success of previous Mid-Winter Markets at the barn (this event is being held again on 18<sup>th</sup> & 19<sup>th</sup> November 2017), we are pleased to present you with this chance to join us to celebrate what the producers of Kent have on offer and exceptional treasures on show created by our local makers.

Delicious homemade food and entertainment will be available throughout the day. This amazing barn is rarely open to the public so the opportunity to soak up the traditional atmosphere is not to be missed.

## June Music notes

Plenty of concerts this month, provided you are prepared to look around. Unfortunately I couldn't find any orchestral events – apart from a lunchtime concert for piano on the 1<sup>st</sup> of the month, every one is performed by choirs. My choice, for what it's worth, would be the Maidstone Singers' concert on 17<sup>th</sup>, but parking will be a problem I fear. Here is the list for you to chose:

- Thursday 1<sup>st</sup> June, there is another lunchtime concert (12.30-2.15) at St. Dunstan's church, Stone St., Cranbrook, - music for two pianos. Concert starts at 12.30, refreshments available from 12.00pm. Free admission.
- Saturday 10<sup>th</sup> June, 7.30pm at St Mary's church Ashford TN23 1QG, a Summer Concert by the Kent Chamber Choir includes sol by award winning Fiona Jackson. Tickets 07715 399320
- Saturday 17<sup>th</sup> June, 7.30pm at St. Faith's church, Station Rd., Maidstone ME14 1LH, The Maidstone Singers' Summer concert includes Durufflé's *Requiem*. Tickets 01622 630016
- Saturday 24<sup>th</sup> June, 7.00pm at Rochester Cathedral, Rochester Choral Society performs CPE Bach's *Magnificat* and Haydn's *Mass in time of war*. Tickets 01634 401049.
- Saturday 1<sup>st</sup> July, 7.30pm at St. George's church, Gravesham.DA11 0DJ, Gravesham Choral Society's concert includes works by Haydn, Mozart and Durufflé. Tickets 01474 812726

As I explained last month, I'm afraid I can no longer obtain radio and TV information earlier enough for our magazine deadlines, so with regret I leave that research to the readers.

## Boughton Malherbe Parish Council

The next meeting of the Parish Council will be held in Grafty Green Village Hall on **Monday 10<sup>th</sup> July 2017 at 19.30.**

The Agenda for these meetings and the minutes for the last meeting (and all previous minutes) can be viewed on the Boughton Malherbe Parish Website or by contacting the Parish Clerk

## **Grafty Gourmet**

This is a great dish and only takes about 20 minutes to prepare. Serve with vegetables and potatoes of your choice, or simply with rice. Either way, it's a great tasting and simple dish for 3 to 4 people.

### **Roast Marmalade Duck**

2 x 2kg (4lb) of duck  
450g of thick cut marmalade  
12 kumquats (Chinese oranges), halved lengthways  
(4 normal oranges can be used instead, each cut into 6 segments)  
200ml of fresh orange juice  
250ml of chicken stock  
2 tea spoons of brown sugar

1. Heat the oven to 180°C. Wipe the ducks and prick all over with a sharp knife (pierce the skin but not the flesh underneath). Roast the ducks on a rack in a large roasting tin, breast-side down for 40 minutes (make sure they don't touch each other).
2. Remove the ducks from the tin and pour the fat into a bowl. Return the ducks to the rack, breast-side up, and spread each breast with some of the marmalade, giving the duck a good coating (you may need to warm it slightly to make it spreadable). Return to the oven and cook for a further 40 minutes. Cover with foil if the marmalade is catching and burning - it should be a dark golden colour with the odd bit of peel slightly blackened.
3. Meanwhile, make a sauce by bringing the remaining marmalade, halved kumquats, orange juice, stock and sugar to the boil in a small saucepan. Simmer for 10 minutes, then pour over the ducks before serving.

– Clerk to arrange this
7. **Public session**

**Maldstone Borough Council** - Cllr Shellina Prendergast (MBC) drew the council's attention to the consultation on rail services and the rail franchise. It was agreed that Cllr J Collins would draft a response to the consultation and circulate this to other members. The Clerk will then submit the response. Shellina agreed to send, via the Clerk, a copy of the Headcorn publicity on the proposed timetable changes for the council to consider replicating.

Cllr Martin Road briefed the meeting on two issues: firstly, the local plan which is nearly complete. Secondly, potential mergers of councils which could have implications for Boughton Malherbe which need to be monitored.

### **Members of the Public**

Mike Hitchins asked if the council had any plans to use the reserves comprising the legacy left to the parish. Cllr Turner outlined some of the potential ideas but explained that due to their commercial sensitivity it was not possible to place these in the public domain just yet. Cllr Turner thanked Mike for raising the issue and assured him that as soon as it was possible there will be public consultation and that the council will continue to actively seek appropriate use for these funds.

Mike Davidson drew the council's attention to increasing speeds from vehicles on Liverton Hill and an accident involving a cyclist last week.

### **8. Annual Reviews**

Cllr Galton presented a short note outlining proposed procedural changes which had been circulated earlier in the day. Following discussion, it was agreed that:

## Christian Message June 2017

The world seems very dark. Homeless men and women sleep on our streets; literally millions have died in the Middle East in the last few years; thousands risk their lives in the Mediterranean Sea hoping to find safety in Europe while still others spend years in refugee camps.

A dark world in which Christians cling on to their belief that God sent his Son into the world to dispel the darkness.

The Bible study group of which I am a members has discovered much which is heartening by studying a Lent course prepared by EMBRACE the Middle East. EMBRACE was formerly known as Bible Lands Society and uses its funds to alleviate suffering in Egypt, Israel, Palestine, Lebanon and Syria.

Here are just some examples of the way money given to them is used to bring light into the darkness of many lives. We learned , for example about the Zabaleen people in Cairo. Their name means 'Garbage people.' They sort the rubbish on the city's refuge dumps and attempt to sell it. Many build flimsy shelters from the material found on the dumps. Inevitably their living conditions are insanitary and dangerous. The Salaam Centre is a place of safety for women. Sisters from a nearby convent live alongside them and give counselling. A Zabaleen woman said: *I get support from the centre. My husband can get help to overcome his addiction. I know there is a way for healing; I can now get food, find a job and know that I have rights.*

Christians in Lebanon are funded by EMBRACE to help refugees from Syria. 13 year old Tariq has been helped. Back home in Syria his family sold falafel, humus and other delicacies to restaurants. The war came and he was nearly killed making a delivery. His family fled to Lebanon and he is now able to study at the EMBRACE supported education centre.

Nahla was diagnosed with a brain development disorder when she was 7. Now 20 her needs are complex. She is being helped by speech and movement therapy at the Zvartontz Centre in Beirut. She has discovered a talent for embroidery. Government funding is limited so EMBRACE is funding 10 Syrian refugees.

We learned this and much more from this course and were reminded that, **'the light shines in the darkness and the darkness has not overcome it.'** (John 1:5).

The light of Christ will continue to shine in the dark places of the world as long as Christians continue to obey the teaching of their Lord by their actions as well as words.
