Brecks Community Centre

Dear Resident,

Brecks Community Centre is presently leased by Dalton Parish Council for the benefit of the community.

It has been closed for some time now due to necessary works that have been carried out due to subsidence. I am pleased to advise these works are now complete.

The community centre is lightly used and in need of modernisation and the Parish Council are considering their options which includes handing the building back to the Landlord.

The Parish Council are interested to hear your views in this respect. You can share them by email, letter or telephone up to and including 16th July 2019 – the contact details are above.

As you can appreciate the Parish Council wants to make an informed decision regarding this and hence the reason why we are seeking the views of the wider community.

If the community wants the Brecks Community Centre to continue it will require volunteers to run the centre.

With thanks,

Dalton Parish Council
