

Ninfield Parish Council - Community Priorities Survey

Before you begin

Thank you for taking the time to complete this questionnaire.

Ninfield Parish Council has received Community Infrastructure Levy (CIL) funding from new development within the parish. This funding must be spent in accordance with the CIL spending rules to support the development and wellbeing of our community.

Residents have already shared a wide range of ideas about how this funding could be used. This questionnaire brings those suggestions together so we can understand which projects are most important to the community. Your views will help shape future spending decisions.

The projects listed are ideas for consideration and no decisions have been made yet

- Please complete one questionnaire for every person aged 18 or over living in your household.
- Each person's views are important and individual responses will help us build a more accurate picture of community priorities.
- There are no right or wrong answers.
- If you think we have missed something, please tell us – we'd genuinely like to hear your ideas.

How to complete your questionnaire

A paper questionnaire is being delivered to every household. Every resident aged 18 or over is welcome to respond.

You can complete the questionnaire on paper or online using the QR code below.

Please complete the questionnaire ONCE only, either on paper or online.

Additional paper copies are available by contacting the clerk on 07725 843505 or by emailing clerk@ninfieldpc.co.uk

Copies can be delivered on request, or a link to the online questionnaire can be emailed.

Completed paper questionnaires can be returned to:

The Blacksmiths Inn during opening hours - please place your surveys in the yellow survey collection box.

Sparkes Pavilion on a Monday afternoon 3.30pm - 4.30pm

Closing Date: Friday 27th November 2026

Privacy Notice:

Ninfield Parish Council will use the information provided in this questionnaire to understand residents' priorities and help inform future decisions about Community Infrastructure Levy (CIL) spending. Survey findings will be reported in summary form, without identifying individual respondents.

Providing personal contact details is entirely voluntary. If you provide your details to express an interest in Community Speed Watch, sports or recreation activities, other community projects, or discussions about land for additional parking, the Parish Council will use them only to contact you about the particular activity or enquiry for which you supplied them.

If you choose to subscribe to the Parish Council newsletter, your email address will be used to send you Council news and updates, up to four times per year. You can unsubscribe at any time.

Personal information will be handled in accordance with UK data protection legislation and the Council's Privacy Notice, available on the Parish Council website.
