Meeting on 21st March 2022

Approved Minutes

- The Feasibility report for signage on A69 to divert large vehicles off the A69 before the greenhead turning is progressing. Station Road signage is being considered within this report.
- The Northumberland Local Plan is scheduled to be adopted.

Correspondence received since the last council meeting:

- NALC/CAN Emails
- NCC – library reading group and IT help
- Northumberland Local Plan Inspectors' Report
- Age Northumberland – Scam awareness information.
- Big Northumberland walking and cycling consultation
- Host a musical Tea for April suggestion.

The walking and cycling consultation does not seem to include much for Greenhead. It was agreed by members that they would like to see more link up with the local towns and villages for walkers and cyclists. The clerk will look at the consultation and raise that opinion.
