

News from Lymington Care Group

We have revised our suggested donations with effect from 1 July 2026.

- The Government has recently changed the rules affecting how we pay our volunteers' expenses for driving. This means we can now pay them a little more for the drives they do for you. So we have raised our suggested donation amounts to cover this.

We have a new website!

www.lymingtoncaregroup.org.uk

- You can now request drives using the booking form on the website as well as by phone on 01590 679187
- You can find details of our suggested donations for drives
- You can find lots more information about who we are and how we work, including guidance for you, our clients, on matters such as how we protect your personal information and how you can help us help you, if you use a mobility aid

We now have four volunteer coordinators to deal with your requests for drives!

- We are delighted to welcome Prue and Cathy, who join Annette and Ginny in providing the link between you and our drivers
