

Your Parish Hall Have Your Say!

Did you know that Forton Parish Hall is
for the benefit of the whole local community?

The Hall is currently used mainly as a pre-school nursery, but we would like to know if there are other things local people would like to use it for as well

Possible uses could include

**Parties & Celebrations *Meetings and talks *Yoga/
Pilates *Music & art classes *Exhibitions*

The Hall has a main function room, office, kitchen, toilets, stores and garden area

**We would love to hear from you with ideas and suggestions of
future uses for the Hall**

Please email the Committee with your ideas
or let us know if you would like to look round the Hall

Thank you!
