## **News from St. Nicholas Church**

### **Cream Teas**

The Cream Teas have started with a bang with many people coming along on Sunday 11<sup>th</sup> and 18<sup>th</sup> July. It was good to see old friends and new ones coming for the first time. Several people visiting us this year have moved away from the Parish and it's really good to see them returning to this really lovely place with its fine views. The weather has been kind to us so far this year but the 18<sup>th</sup> was a bit windy - it makes keeping the tablecloths in place difficult but the sun shone brightly.

For those of you who don't know, we serve cream teas during July and August and into September on Sunday afternoons between 2.00pm and 5.00pm priced £2.50 each. Perhaps we will see you one Sunday, I hope so.

### **Morning Prayers**

Morning Prayers are held in St. Nicholas on Monday mornings between 9.30am and 10.00am. If you have someone for whom you would like the Group to pray, someone who is ill or someone for whom life is difficult at the moment or for any other reason just put a request in the box in the porch. It is opened each week to see if there are requests inside. This takes a break in August but resumes on 6<sup>th</sup> September.

### **Bike Ride**

The Friends of Kent Churches Bike ride will take place on Saturday 11<sup>th</sup> September and we are looking for riders/walkers and also Church minders (all of whom can be sponsored for giving up their time to help raise money for the Churches in Kent). Any Church PCC can apply to the Friends for financial help when doing projects to keep their Church building in good order.

Ring Joan Davidson on 01622 850210 for a Sponsorship Form and get walking /riding for St. Nicholas. We need your support and if you are interested in history and churches or just like to walk or ride, it's a very good way to visit the Churches in your area as so many of them are locked these days. It is not just in Kent; churches in the neighbouring counties are open too. Joan has a list of the churches that will be open in Kent, so you can plan your route in good time.

### **Quinquennial Report**

Further to the above request we have just received our Quinquennial Report on the Fabric of St. Nicholas and we will be carrying out repairs to the Church building over the next 5 years to keep the elements at bay. We haven't as yet got a plan as to what is the most important work that must be done, but the Chancel Roof is in need of attention to name but one item.

## Weddings and Blessings

In July we had a Blessing and a Wedding at St. Nicholas. Paul and Sharon Jennings of Masons Farm celebrated their Silver Wedding by having a Service of Blessing on Saturday 3<sup>rd</sup> July and Elizabeth Clark of Boughton Place married Sean Ilbery of Zurich, Switzerland on 10<sup>th</sup> July and they will be living in Switzerland. We offer both couples congratulations and best wishes for their future happiness together.

## **Dazzle**

Dazzle is a new after school activity for Primary School children held in the Village Hall, Grafty Green on Friday afternoons at 3.45pm for an hour. At the moment Dazzle has 9 children attending between the ages of 4-10 years.

It is hoped that by coming along to Dazzle and taking part will increase the children's self confidence while having fun. They do light hearted drama and have just presented a production of Peter Pan to an audience of parents and grandparents. The children helped with many of the roles that putting on a production involves such as selling tickets and programmes to the audience as they arrived and the drinks and popcorn during the interval. Several of the children had 2 or 3 parts to play in the production, which was enjoyed by all of those present.

If you would like to know more about this Class - ring Gail Kelly on 01622 850671.  
Gail and her helper are CRB checked.

## **'Liverton Hill 30mph Campaign Group'**

Just a quick update to let you know progress to date.

A few residents attended the all important Joint Transport Board Meeting at The Town Hall on Wednesday, Anna Farley (Hillside Cottages) kindly spoke very eloquently on behalf of the residents of Liverton Hill.

A copy of our report including residents comments and the press releases to date were sent to the Board members (18) prior to this meeting. Several Board members were clutching these reports at the meeting and it was clear that the Liverton Hill 30mph issue was definitely on the agenda.

Jenny Whittle our County Councillor had kindly arranged for a Kent Highways Transport Officer to visit Liverton Hill today to assess our request. The Officer was present at The Joint Transport Board Meeting on Wednesday and was aware of our requests. I accompanied Jenny Whittle, Pat Anderson & the Highways Officer who seemed very positive, he outlined his views and invited Jenny Whittle to make an application for a 30mph speed limit for part of Liverton Hill with additional yellow backed safety signs for the lower half of Liverton Hill outlining the narrow road and dangers present.

I would at this point like to thank all the residents who have contributed to the campaign so far and also thank Tom & Janetta Sams for their invaluable contribution, advice & help to date.

I will keep you all informed if there is further progress.

If you have any comments or feel you could help with the campaign please email the group secretary Robert Stuttle at [30onthehill@gmail.com](mailto:30onthehill@gmail.com).

The 'Liverton Hill 30mph Campaign' has a website for more information: <https://sites.google.com/site/30onthehill/>

**Robert Stuttle**

**'Back to Church Sunday'** is on 26th September. There will be a special service in St Nicholas church at 9.30am.

A Quiet Day will be held in the Methodist Hall, Headcorn on Saturday 2nd October. More details in the next issue.

## **NEWS FROM ULCOMBE'S VILLAGE SCHOOL**

Firstly we must send our best wishes to all of our Leavers this year. Eleven children moved on to 'big school' this summer, with children going to Invicta Girls' Grammar School, Oakwood Park Grammar School, Angley Sports College, New Line Learning Oldborough, Cornwallis and Swadelands. We wish all of them the very best of luck, hoping that they will work hard and get what they deserve for their efforts. We also say farewell to one of our staff. Mr Sheehan joined our staff team in January 2008. He has been one of our Senior Teachers. I know that many parents have really appreciated his work with the children in his class, as have I. We must also thank Mr Sheehan for all the work he has done 'behind the scenes' leading subjects and areas of school life. We wish Mr Sheehan every success as he moves to a school in north-west Kent.

There is more to come about both events, but I must also start with a word about fundraising this summer. The Friends of Ulcombe School, our PTA, have done an absolutely amazing job again this term. The Summer Fayre and Summer Ball raised a combined total of approximately £2,400. This is fantastic. Thank you so much to everyone who helped with these events, which were both a wonderful success again this year!

### **IN THE NEWS**

#### **Sports Day and the Summer Fayre – Saturday 26<sup>th</sup> June**

Our Sports Day and Summer Fayre took place on Saturday 26<sup>th</sup> June. This was a fantastic event, and it was great to see so many there. Children started their races at 11am, and enjoyed taking part in a variety of events including a new event for us, the long-distance run. Following the races and the announcement of the Sports Day winners – well done Topaz – there was a barbecue, cream teas, drinks and other refreshments on sale, as well as various activities to enjoy. The stocks seemed to be a particular favourite for some reason. It was wonderful to see so many people enjoying taking part in different activities raising over £1,000. Thank you!

#### **The World Cup – Friday 9<sup>th</sup> July**

On Friday 9<sup>th</sup> July we had a Film Club Special watching England win the World Cup! We all had a hat to wear or a flag to wave, and we had a really enjoyable couple of hours. Unfortunately we had to see how it was done in 1966. Maybe in four years time ...

#### **Summer Ball – Saturday 10<sup>th</sup> July**

On the following day the Friends of Ulcombe School hosted the second F.U.S. Summer Ball. This was a massive success again this year, and everyone who went had a hugely enjoyable evening. Congratulations to everyone who was successful with their auction bids, stand-up bingo or the raffle to win a free meal in the hotel restaurant. Our thanks go to everyone who donated items for the auction. The total

raised was over £1,300, which was brilliant and so an enormous thank you goes to Mrs Berry, Mrs Williams and all of the FUS who have worked hard to make this such a great event.

### **The Summer Production – Monday 19<sup>th</sup> and Tuesday 20<sup>th</sup> July**

This year's Summer Production was called The Pinafore Pirates, and it is a spoof of Gilbert and Sullivan comic operas. Children worked very hard learning lines and songs, which were certainly not easy. This was extremely entertaining with children really getting into their part, including boys pretending to be ladies and girls playing the parts of men. Well done to all of the children who were brilliant.

### **Leavers' and End of Year Celebrations**

After school on the last Wednesday of term, FUS organised an end of year disco for all of the children. The children had time to get changed after school, so they could bring their disco clothes in to school to make sure they could look the part. After the disco, Tawny Owls, our oldest children, were all invited to stay for the Leavers' Barbecue.

Thursday 22<sup>nd</sup> July, the last of the school year for pupils, started at All Saints Parish Church for our Leavers' Celebration. It was great to see family and friends at the church for the service. It is always very enjoyable hearing what events and moments stand out as significant to the children, and this year was no exception.

### **COMIING UP**

#### **More Improvements**

At the time of writing we are still getting quotes, but there may be some building work going on during the summer break. We are certainly hoping to get some much needed internal work done in the cook's office and store area. There is the possibility that we may also have improved access to the playground and more secure fencing to the front of the school. Our long term project of providing a library for the children, which can be a room which the community can use as well, continues to move forward. We hope to have more news by the end of the summer.

You may see contractors working on the playground again this holiday. Unfortunately the resurfacing has not been as successful as we would like. We will continue to work with Sturgeon's to try and make this a suitable play area for the children.

### **The Next Academic Year**

For those of you thinking ahead to the next school year, Wednesday 1<sup>st</sup> September, Thursday 2<sup>nd</sup> September and Friday 3<sup>rd</sup> September will all be Inset Days here at Ulcombe. On the first Thursday into the new term (9<sup>th</sup> September) the children will be having their photograph taken, so it is a day to make ourselves look extra special!

Thank you so much to everyone who has continued to support the school during this year! Have a wonderful summertime.

**Mr V Hampton, Head Teacher**

## **Jenny Whittle - News from County Hall**

I recently met with Robert Stuttle and neighbouring residents on **Liverton Hill** who are campaigning to halve the current speed limit to 30mph. The camber and sharp bends of this road demands a revision of the speed limit for the safety of residents, motorists, cyclists and walkers. I am in discussions with officers from Kent Highways Services and will do my utmost to ensure we achieve a much safer and realistic speed limit for this stretch of road. Well done to Robert for establishing an effective and vocal campaign.

Congratulations to the governing body at **Platts Heath Primary School** who have recently appointed a new Headteacher following the retirement of Ian Priddle. I wish the best of luck to Mr Priddle and the new Headteacher, Piers Anscomb, who was Deputy Headteacher at Cage Green Primary School in Tonbridge and starts at Platts Heath in September.

Unsurprisingly **roads maintenance** has been the hottest topic in my postbag and inbox since I was elected. Six companies have been shortlisted by Kent County Council for the contract to maintain its huge highway network of more than 5,000 miles of roads from next year. They are Atkins, Balfour Beatty, Carillion, Colas, Enterprise and May Gurney. The council is aiming to refine its service requirements by 21<sup>st</sup> September. Talks will be held with each of the bidding companies about how best to achieve this. The new contract will be awarded in May 2011 and will run for up to 10 years. The current contract will continue to be delivered by Ringway until 31<sup>st</sup> August 2011. Since April KCC has also employed the services of Detling-based firm Steadline that have undertaken pothole repairs in unclassified lanes and rural areas across the borough. I envisage the Council continuing to use small contractors following positive reports about the quality of repairs undertaken by Steadline and

other firms employed across Kent to fix potholes. This approach has also helped to support small and medium sized companies during a very difficult economic climate.

If you need my help or advice please do not hesitate to contact me.

## **A MESSAGE FROM THE BOUGHTON MALHERBE HISTORY SOCIETY**

Update on our book of the history of the Parish.

We are now approaching the time when we need to decide upon the number of copies for publication.

The number needed to provide a free copy for every household in the Parish is easy to calculate but our dilemma is to decide on the quantity required for those wishing to purchase extra copies.

Based upon the interest shown we expect a high demand and whilst we are unable yet to quote a price we are already compiling a list of potential purchasers from the requests of parishioners and others.

If anyone is likely to want to purchase a copy or know someone who does please help us by contacting Ron Galton on 01622850369 or preferably Email him at [galtonweeks@googlemail.com](mailto:galtonweeks@googlemail.com) giving your contact details and number of copies you may require.

You will be contacted as soon as the cost is available to confirm if you do wish to purchase. Our thanks go to everyone who has supported us in this venture.

**Ron Galton**

# **Grafty Green Speedwatch**

## **Overview**

Speedwatch has now started in Grafty Green so you might find a few words about it useful. The scheme is aimed at encouraging drivers to observe speed limits in rural areas, and for our community the 30 mph through Grafty Green. It is a scheme operated by trained volunteers organised under the auspice of Kent Police, Kent County Council and Boughton Malherbe Parish Council. Strict guidelines are in place and the volunteers have no authority whatsoever, they merely monitor results and when necessary pass details to the Police.

## **Update**

We, at the time of writing have been able to carry out three monitoring sessions at different times and all of 2 hours duration.

The results have been significant with 41 vehicles travelling in excess of 36mph and a high percentage well into the 40's. Bearing in mind we can only monitor one way at each session, and most vehicles on seeing the check have slowed before the 'screen' illuminates the figures can only be described as worrying.

All of our data goes back to Maidstone Police traffic management unit and will no doubt result in some official police checks and both they and us re-iterate it is not about catching motorists but educating them to slow down where there are pedestrians, children and animals. At speeds up to 30mph injuries can be bad but increase many times over and sharply as speeds increase.

More volunteers would help achieve more monitoring please contact any member of the Parish Council or Chris Wheal 01622 858100 or e-mail [cwcancare@aol.com](mailto:cwcancare@aol.com)

## **The Grafty Gourmet**

This has got to be the simplest recipe yet. It's more difficult to boil an egg ! If ever you do not feel like cooking try this is very simple, yet very tasty dish. It's very versatile and can be served with rice, pasta, noodle, or vegetables.

### **Easy Spicy Chicken - Serves 4**

#### **Ingredients**

4 skinless, boneless chicken breasts  
½ pint of French salad dressing  
1/4 cup salsa  
1 teaspoon dried thyme

#### **Directions**

1. Preheat oven to 175 degrees C. Lightly grease a medium baking dish.
2. Arrange chicken in the baking dish. In a bowl, mix French salad dressing, salsa, and thyme. Pour evenly over chicken.
3. Cover with aluminium foil, and bake 20 minutes in the preheated oven. Remove foil, and continue baking 10 minutes, until chicken juices run clear.
4. Serve with your choice of rice, pasta, noodles or vegetable.

## **Platts Heath Primary School**

The governors of Platts Heath School are delighted to announce the appointment of their new headmaster Piers Anscomb.

Mr Anscomb will take up his post in September when the new academic year starts. He is married with 2 children and comes from Eccles. The Anscomb family have already started to make friends with Platts Heath having attended the school summer fair in June.

This, of course, means that sadly we have said good bye to Ian Priddle who has retired after a decade as head teacher at Platts Heath. Ian played a large part in the campaign to save the school from closure in 2006/7 and the governors and school wish him and his family well for his retirement.

## **Platts Heath Governors**

### **Fayre Play and Thank You.**

The Platts Heath PTFA would like to thank everyone who braved the wind and rain and joined us for the Summer Fayre on 19 June. Given the current long run of sunshine we are enjoying (at the time of writing) we were slightly unfortunate with the weather we were given for the Fayre. All the hard work that was done on Friday afternoon by parents in putting up marquees and gazebos (to hopefully get ahead of the game on Saturday morning) was literally blown away when we got to the field on Saturday morning to find the same marquees and gazebos upside down and far from where they were originally tethered. However, as always, we gritted our teeth and got on with the matter in hand with lots of donated tent pegs, gaffer tape, hope and good humour getting us back on track.

We were beautifully entertained by the dancers from the Mandy Ellen School of Dance and the Platts Heath School Maypole dancers did the parent instructors, Grace and Kelly, proud with their polished routine. The hobby horse gymkhana was as amusing as ever and even brought the fire brigade back for a second year (bunch of big kids!!)

Our thanks to the ladies of the Lenham WI who kindly judged our annual Dad's cake competition and children's fairy cake competition.

We raised a whopping £2,300 which, considering the weather is an amazing achievement. Thank you to everyone who helped run stalls, hold stalls down (literally) and came and spent their money. We hope you had an enjoyable afternoon and we hope we get better weather next year – if Glastonbury can do it then so can we!!

We are a very sociable bunch and love to welcome new members. The fee to join is £5 for the year and a small entry fee of £1 on the door for events attended.

Tuesday August 3<sup>rd</sup> at 6.30 pm the club is visiting Belmont Park Throwley, nr. Faversham, Kent, ME13 0HH. This garden has a large walled kitchen garden restored in 2001 to a design by the renowned Lady Arabella Lennox-Boyd. The last time the club visited the new design had just been completed and so it will be interesting to see the changes since then. The head gardener will be there to take us round and answer our questions.

Do feel free to join us – further information from Sue Burch 850381 or Rosemary Smith 850526. If you need a lift or wish to share a car please also let us know so that we can co-ordinate drivers with passengers.

## **The August Night Sky**

At the start of August the Sun is in the constellation of Cancer, and moves into Leo on Tuesday 10<sup>th</sup>.

New Moon occurs on Tuesday 10<sup>th</sup> August. We will not be able to see the waxing crescent until Sunday 15<sup>th</sup>, low in the southwest after sunset. Full Moon occurs on Tuesday 24<sup>th</sup> August, in the constellation of Aquarius.

As Mercury is at its greatest elongation east of the Sun on 24<sup>th</sup> August, you will be lucky to get a glimpse of this planet in the west, as it sets only minutes after the Sun. Whilst on the subject of Mercury, I have read that the Japan Aerospace Exploration Agency is to launch an ambitious mission to the planet in the next few years. I will have more about this subject in a later article.

Venus is still visible low in the western sky as soon as it starts to get dark, but it will get increasingly difficult to see as the weeks go by. But the "Evening Star" is so brilliant, it can even be seen in the twilight sky.

Mars is low in the western sky at dusk and can be clearly seen shining with an orange light. Venus is catching up on Mars, and on the night of 19<sup>th</sup> August it will appear directly below. Mars sets earlier every evening and by the end of the month it will not be visible.

Jupiter is the only planet visible during the night. It rises in the east in late evening, and is well up in the south at dawn. The giant planet is less brilliant than Venus, but can still be seen even against a brightening sky. With binoculars Jupiter's four major moons can easily be seen.

Saturn is low in the western sky at dusk and sets before midnight. Again the famous rings can only be seen through a telescope. Saturn sets earlier every night, and by the end of the month it will not be visible.

August is the month for the famous Perseid meteor shower. They will appear to radiate from a point in the constellation of Perseus, which is high in the northeast in the evening. It is expected that the showers will peak on the evening of 12<sup>th</sup> August.

Some of you may have read that astronomers have discovered a star that is 10million times brighter than the Sun. It was found within two young star clusters in the Tarantula nebula, using the Southern Observatory's Very Large Telescope. Experts have said that, as these monster stars are rarely discovered, the record is likely to last for some time.

## **Neighbourhood Watch Message**

Kent Trading Standards have received reports of bogus callers claiming to be from Citizens Advice, telephoning consumers advising that they can clear consumers' unsecured debts. They can't!

The callers have heavy Asian accents that are difficult to understand and they know consumers names.

Kent Trading Standards are warning consumers to be very wary of anyone cold calling. Never disclose any personal or bank details to them. If you are in any doubt at all end the call - in your home you are in control - hang up.

Free confidential and independent advice on how to deal with debt problems can be found by contacting The National Debt Line on 0808 808 4000 or visiting [www.nationaldebtline.co.uk](http://www.nationaldebtline.co.uk).

Please contact Consumer Direct on 08454 04 05 06 or go to [www.consumerdirect.gov.uk](http://www.consumerdirect.gov.uk) if you need further advice on your consumer rights, or you want to report any businesses or incidents you have concerns about.

### **In memoriam**

At either St Nicholas' (Leeds) or St Margaret's (Broomfield) you can have a dedication plate put in the front of one of the hymn books in memory of a loved one. There is a small fee, which helps us buy the hymn book. If you would like to take advantage of this, please ask any lay official at either church, or a member of the clergy.

Some churches (not in this benefice) also invite church visitors to buy a candle in memory of the departed. The following is part of a notice we saw in such a church:.

"Please place your donation in the envelope along with the deceased person you want remembered".

Well, it saves a burial fee!

Come along a find out how to get started on your family tree.

Please ring our booking clerk Sylvia Tillman on 07523 182994 who can give you full details of our very reasonable costs, which start from as little as £7.50 for a 2 hour session, and any other information you may need. And don't forget about our drop-in clinic – every Saturday from 10am to 12 noon – technical help and advice, or just come and have a chat and a coffee.

We are proud members of:

**Our services include:**

**Plumbing & Heating:** Most aspects of plumbing can be completed, from changing a tap or washer to fitting or altering and cleaning central heating systems. Drain down and decommissioning works can also be completed.

**Power Flushing:** Power flushing is the fastest and most effective way to flush heating systems, and involves minimal disruption and dismantling. Radiators may be individually flushed without removal or disconnection from the system.

**Tiling:** We offer a professional finish for your bathroom, en-suite, wet room, kitchen, utility room or cloakroom. You name it - we'll tile it!

**Decorating:** Kitchen & bathroom fitting, room stripping, ripping out for renovation/redecoration, plastering, coving, floor laying. General painting, decorating and paper hanging.

**Construction:** Loft conversions and roof space storage, dry/partition walls, sound proofing, electrical installations and fittings. Extensions and conservatories.

**Exterior works:** Drainage unblocking, drainage digging and laying (not within the Highways or Local Authority land). Guttering and water drainage, re-pointing walls and patio, exterior painting and decorating, garden walls, pathways and steps, fencing, decking, patio laying, block paving and turf laying/lawn seeding.

## **Bulky Refuse Collections (Weekend Freighter Service)**

Maidstone Borough Council has now issued the new timetable up to 15<sup>th</sup> August 2010. The main difference is that all Grafty Green times will be on a Sunday and the freighter will only be here for 45 minutes – so get there early. Additionally there will be no service for collecting electrical items .i.e. no separate freighter to pick up items such as TV's, monitors, etc.

## **What YOU think**

Some months ago the Church Council invited residents to answer a variety of questions about St Nicholas church. 24 completed survey forms were received.

The general view seems to be that St Nicholas is a welcoming church and could be made more so by improved access. 20 of those who replied regard the provision of toilet facilities as essential.

One section of the questionnaire was about the possibility of the local community using the church building for events other than worship. No objections were raised to this. Indeed the idea was welcomed most positively.

On the subject of services more than half the replies indicated an interest in a less formal service for all ages. Several suggested Sunday afternoons as a suitable time.

Various other suggestions were made including improved heating, kitchen facilities, the involvement of the church in charitable work and last, but by no means least, the removal of some pews.

Thanking for taking the trouble to complete the questionnaires. The Church Council will be discussing them.

## **Christian Message August 2010**

I've always been fascinated by the weird and wonderful place names we pass through when we're travelling through different parts of the country. Then I wonder what strangers to Kent make of the place names that are so familiar to us! Do they ever ask themselves why there are so many ending in 'hurst', 'den' or 'ham' and are they then interested enough to try to find the answer to that question?

Many of the names are centuries old, and have changed little over the years, and may refer to the person who first owned the land in the area or to its geographical situation. But whenever we've been away, we're always glad to be back in Kent, seeing the names we know so well on the signposts, and know for sure we're nearly home. Back in the comfort and security of familiar surroundings again.

Christian names are interesting too. I wonder if you know the origins of *your* name or names, and what they mean? I'm not sure that most parents think about meanings when choosing a name for their new baby, probably they're more concerned with making sure the initials don't form an undesirable word!

Christian names also seem to follow 'fashion' cycles, those which would have been considered 'old fashioned' thirty or forty years ago, are now popular again, but whatever we choose for our offspring, it's an awesome responsibility. Their name is something they will carry with them for the rest of their life, and defines them as a unique individual. God the Father chose a special name for *his* Son, Jesus, meaning 'The Lord saves'. His name showed that he was the one who would be our Saviour, but he also has other names or titles given to him in the Bible. I have a book which lists twenty six for him and explains their meanings and how relevant they are for us, but the one I find the most helpful of all, (after Jesus), is Immanuel, (Matthew 1:23) meaning 'God with us'. To remember *that* when life gets hard, is like coming home at the end of a journey, back to the security and comfort of a familiar presence, who gives us the strength and help to get through the difficult times.

In Christ's love,

**Yvonne Salmon**

## **Music Notes, August 2010**

Well, not really notes this time – August seems to be a holiday month for local musical performances, as well as for the rest of us. However, the BBC Promenade concerts are in full swing – if you can't get up to town, they are all on the radio, and quite a few on 'the tele'.
