

## September Update

Our last Community Lunch of the year was held on Wednesday 12<sup>th</sup> August, which was enjoyed by all except for the volunteers in the kitchen, who cooked the meal on one of the hottest days of the year! This very popular event will be resumed in the spring of 2027. Our new Warm Welcome Hub should start this winter and we are applying for a grant to meet the criteria, which includes free entry for all in the community.

We are looking to apply for a solar power grant. However, we will not be installing it on the front roof!

We still have a few upgrades planned and are hoping for additional grants to facilitate these necessary improvements.

### All events include a licenced bar.

We can only accept credit payments when we can connect to an internet or mobile phone signal.

Due to poor to non-existent coverage at the hall, we may on occasion have to refuse card payments.

We are taking advice on how to connect and/or boost the signal at the hall, but the solution is likely to be expensive.
