

ESSENTIAL MAINTENANCE WORKS:

A5 JACK'S HILL Multi-Disciplinary Project

Update Bulletin 5 – 23.4.2020

Following the eleven days suspension of our works, to accommodate both the Easter holiday period and works on the M1, we restarted as planned at 8pm on Monday 20th April 2020.

Since then we have continued to carry out drainage, kerbing, carriageway reinstatement and a mixture of reconstruction and resurfacing of footpaths in both **Phase 1, which runs northwards from Tove roundabout (A43) to the Banbury Lane / Butcher's Lane crossroads in Foster's Booth** and **Phase 2, which runs northwards from Banbury Lane / Butchers's Lane crossroads in Foster's Booth to Northampton Road (Litchborough)**. We have also continued site clearance and tree removal in **Phase 3, which runs northwards from Northampton Road (Litchborough) to Main Street, Upper Stowe**.

Please note that these works in **Phases 1, 2 and 3**, which are being carried out **between 8pm and 6am Mondays to Fridays inclusive**, will continue to run concurrently until the works described above in Phases 1 and 3 are completed in approximately two weeks.

Works in Phase 2 described above will continue for a further two to three weeks after that and will run concurrently with drainage and kerbing works in Phase 3, which are planned to start on 4th May 2020.

During these works, every effort will be made to maintain access across the A5 at the Banbury Lane / Butchers's Lane crossroads in Foster's Booth. However, particularly when existing drainage pipes are being relined from access chambers within the crossroads, it may not be possible to cross for short periods. When driving across the crossroads please take care and follow any instructions given by the Traffic Marshals.

We are currently planning to carry out milling, resurfacing, carriageway reinstatement along the front of newly laid kerbing, installation of temporary and permanent road markings and a mixture of reconstruction and resurfacing of footpaths in **Phase 1** over the following two weekends:

between 8pm Friday 24th and 6am Monday 27th April 2020 and

between 8pm Friday 8th and 6am Monday 11th May 2020.

Customer Contact Centre: **0300 123 5000**
www.highwaysengland.co.uk

Over these weekends, every effort will be made to maintain access across the A5 at the Banbury Lane / Butchers's Lane crossroads in Foster's Booth.

To maintain a safe environment for our workforce and road users, the A5 will be closed to through traffic between the Towcester Roundabout (A43) and Weedon crossroads during our working hours.

All carriageways will remain open, as usual, when we are not working and winter maintenance work, i.e. gritting of the road, will be carried out as normal.

Please also note that all our planned road works may be subject to change due to weather conditions, unforeseen circumstances or restrictions placed on us as a result of the Coronavirus emergency.

I apologise for any disruption our works may cause. Please plan ahead and allow extra time for your journey.
