North Hampshire Prostate
Cancer Support Group

Welcome to the Buzz Bulletin

We will keep you informed about the support group over the coming months and share any advice that the support group committee receives, which is relevant to your well being. In this issue there is a report of a committee meeting, which we held by way of a conference call. This was a new experience and I'm glad to report no one hung up before the end of the meeting. Please remember you are not alone the support group is still active and we are determined to help each other as far as we are able so that we are ready to return to normal routines once safe to do so.

DIARY DATES

Following Government Advice venues have been closed. Group Meetings and the Exercise Class have been suspended.

When it becomes safe to meet again we will.

The AGM will be held as soon as possible. In the interim the current committee will continue.

NORTH HAMPSHIRE PROSTATE CANCER SUPPORT GROUP MEETING

Committee meeting

Thursday 26th March 2020 2.00pm

Apologies for absence: Keith Bunker.

1. Our treasurer was able to tell us that we have sufficient funds to tide us over the next months
2. We considered the best ways to support members of our group.
 - 2.1 Consideration was given to using technology to hold virtual meetings with video links. The committee will trial using Zoom (don't ask - I've never heard of it) and if that is successful then we might be able to expand its use.
3. We are aware that we need to contact the speakers we had lined up for Group meetings. A job for someone.
4. Loddon Lilies were disappointed that none of us made their quiz evening. At present their planned fund raising events are on hold.
5. We are waiting to hear whether our support for Hook & Odiham Lions PSA testing event will be required as its quite likely it will be cancelled.
6. The Chairman is proposing to make changes to the web site to reflect the current situation with Covid-19. The committee were in approval.

We are planning to get together again on Monday 30th March using Zoom. Zoom uses the internet to link us together using video and speech. You'll get an email with a link to allow you join in.
