Council News

GE Aviation and Planning

The Council has received news that the GE Aviation Hamble site has been sold to Aernnova, a Spanish aviation company, who it is anticipated will take over ownership from the start of 2020. The new owners have been in touch with the Borough Council to say how important the Hamble site is to them. We will wait to see if this has any implications regarding the current planning application for 148 dwellings on its car park and sports field. At the last Parish Council Planning Committee meeting, the Committee considered an application for the installation of a battery standby facility at Hound Nurseries off of Hamble Lane. Although the Committee was minded to support renewable and low carbon developments, it objected because this facility was located in a local gap and the

countryside that could set a precedent for further developments in this important gap for the parish. When the Local Area Committee considered this application, it was approved.

Hamble Lane

Parishioners travelling up Hamble Lane will have noticed the road to the development off the Jurd Way roundabout has been closed as promised and traffic from this development and the former car boot sale site now use the Bursledon Road access. Residents will have also seen that a tree adjacent to the Parish Council's allotments off Hamble Lane has had to be felled due to its unsafe condition.

St Andrews Cemetery

Several memorial headstones in the cemetery require urgent attention and some of them have been fenced off to ensure safety. Notices have been attached to these headstones asking that the

families concerned contact the Parish Office to seek a remedy to the situation. If you have a family member buried in the cemetery, please can you check to see it doesn't involve your family member's grave. The Council has also commissioned a company to measure and mark out grave plots in the next burial area to ensure the space is utilised to its full potential.

The Mercury Library & Community Hub

As mentioned in a previously, the Parish Council made it clear to the Borough Council that it could not continue undertaking the day to day management of this service at the expense of other Parish Council duties. It asked the Borough Council to seek an appropriate organisation to partner it to manage and develop this facility. This has still not happened, so with regret the Parish Council has given notice that it will limit its support from the end of October. It will continue to source and support community outreach services and the volunteers with their children's story writing competition etc. if this is acceptable with the new provider.

The Parish Council recently organised a celebration event to thank the Mercury Library & Community Hub volunteers for all their hard work and commitment to the project.

Hamble Primary School Sign Awards

Councillor Ryan and the Clerk attended a Primary School assembly to congratulate the pupils on their great effort in producing signs about picking up litter, cleaning

up after your dog and looking after the environment that have been put up around the village.

Rights of Ways and Public Landings

At least annually Councillors walk all the Rights of Ways (ROWs) in the Parish, as well as embark and disembark at all the parish's public landings places on the river. Councillors have started this by visiting the public landing places and walking the ROWs in the area that was previously in Hound. Other than the ROW from the Hamble School to Badnam Copse that was overgrown, the others were in reasonably good condition. While undertaking this, Councillor Rolfe took a sack with her to pick up litter along the route. Surprisingly, there was little litter along the ROWs or along Hamble Lane where the school children walk, but Satchell Lane was another matter! Within 50 metres Cllr Rolfe had filled her sack with rubbish, such as bottles, cans and food containers, that had been thrown into the verge from cars.

Council Communications

New Councillor, Sharon Hayward, has produced a report for the Council reviewing certain aspects of its communications with the community and improving its social media strategy. If you have any suggestions how the Parish Council could further improve its communications please contact the Parish Office.

Agendas, minutes and reports for all Council meetings can be found on our website: www.hambleparishcouncil.gov.uk

MESSAGE FROM THE PARISH COUNCIL TEAM

Cemetery

The village cemetery at St Andrew's Church is a very important green corridor frequently visited by deer and other animals. As part of the Council's Policy to support and improve biodiversity across the Parish, the lower meadow in the cemetery is left uncut and will be sown with some native wild-flower seed ready for next summer.

The new burial area has been measured and marked out and in the coming months we will plant a border with English Lavender to support pollinating insects and under plant with native daffodils to provide some spring colour. We have also introduced some benches in key locations to provide a space to stop and reflect.

Remembrance Sunday

This year's Remembrance Sunday service will take place on November 10th. Cllr Hand will attend the church service at St Andrews Church; Cllr Cross will attend the service at the Chapel at Royal Victoria Country Park and Cllrs Rolfe and Nesbit-Bell will represent the parish at St Edwards, Netley.

allotments. Emergency work was carried out to make it safe and it has now been felled by Hampshire County Council.

The allotment plots are always in high demand and we have 20 people on the waiting list at the moment. We are often asked questions about specific plots that are uncultivated and appear unworked. Often, allotment holders are unable to maintain their plot in the short term because of illness or other personal circumstances. In such cases we try to work with them through temporary difficulties. If the problem looks like it will be for an extended period we do encourage them to relinquish the plot to avoid it becoming overgrown and a problem for other users. Please bear this in mind if you are on the waiting list.

At the end of the summer we have seen a spate of vandalism, damage and theft from the allotments. Those effected have been very upset seeing their hard work damaged or taken. The Police have asked that we look at options to improve security which we will do over the coming months.

The Mercury

The Parish Council hosted an event on 13th October to celebrate and thank the wonderful volunteers who have worked so hard to take the Mercury from a building with empty shelves to a well-stocked library and welcoming community hub. We are extremely grateful for their commitment and kind support for this community project. The pilot of Wednesday afternoon opening, 2pm until 5pm, has been a great success and will now continue on a permanent basis. Several new volunteers are currently training and it is hoped these additional volunteers will help to open The Mercury on other weekday afternoons.

Allotments

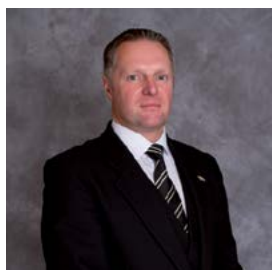

During September, allotment holders contacted the Parish Council with concerns about a diseased/dead tree adjoining the

Since opening we have been heavily involved in supporting the volunteers to establish the service, but in the absence of any on-going funding commitment from EBC to provide management support the Council has decided to step away from the service at end of the month. We hope to confirm who EBC have selected to take it over shortly.

Recycling

Do you need shredded paper for bedding for horses or larger animals such as pigs, goats etc. Please contact the Parish Office. In an effort to save paper and reduce costs Eastleigh Borough Council will not be producing the refuse collection calendar this year. The information instead will be available on line. If you don't have access to online information, you will be able to request a paper copy from The Mercury.

HENVILLE EDUCATIONAL FOUNDATION

If you are a Hamble resident or Hamble youth group under the age of 25 funding is available for educational resources such as:

- Books
- Assistance with fees for training courses
- Educational visits/trips
- Resources/equipment
- Special Educational Needs
- Private tutoring
- Sporting and musical activities may also be considered

In 1848 the Reverend Charles Henville founded the Trust and he gave the rent from Henville House to fund it. This continued after his death but in the latter part of the 20th century the house was sold and the money raised was invested to help the

residents and youth groups of Hamble.

The Trust meets 4 times a year (March, June, September and December) to consider and/or distribute the funding. Grants are awarded (if not already available through public funds) to those whom the Trustees consider are in the greatest need or would benefit the most.

Please telephone Wendy Mason (02380 452720) for further information and/or an application form. The form is easy to complete, and confidential advice is available if you should require any help.

All applications are confidential so please do not hesitate to apply if you feel that there is something that the Trust may be able to help you with.

Throughout life we have many choices to make; friends, education, career, where to hold our Christmas party?

Regardless of our religious or spiritual beliefs, the Christmas period is about spending time with family and friends, whilst enjoying good food and drink in a friendly and relaxed atmosphere.

Our stunning locations on the River Hamble, both the Gaff Rigger and Ketch Rigger, are about anyone and everyone. It's about socialising and enjoying food and drink with those closest to us; family, friends, work colleagues, and our seasonal menu has been produced with that in mind.

We are, after all the food we eat. So make time for food, make time for family, make time for friends. We live like this, why don't you?

Our Christmas menu is available for pre-booked parties of 6 or more (up to 50) and is available from 1st to 24th December.

Menus costs are £30 Sunday to Thursday evenings and lunchtimes, £32 Friday and Saturday evenings. A two course menu for £25 is also available lunchtimes.

All pricing is per person.

HAMBLE CONSERVATION VOLUNTEERS

It is proving to be a busy autumn. The prolonged drought created a severe fire risk on the Common and, sadly, a serious fire required the attention of the Fire Service. We monitored the embers and reported to Eastleigh Borough Council on the impact on the grazing cattle. Those who walk regularly along the fire break path will have noticed that we have now managed to remove the burnt remains of the scrub in this area.

On 13th November we anticipate working with Eastleigh Ramblers and Eastleigh Borough Council on Footpath No 505 that runs parallel with the boundary of the Common with Hamble Point Marina. We understand this section of path is likely to become part of the English Coast National Trail and currently it is barely passable in the wetter months. The Common's Site of

Scientific Interest status places significant restrictions on the use of mechanised plant so volunteer turnout is crucial for success.

Regardless of the task we welcome volunteers; the tasks can be arduous but there are roles for a wide range of abilities. Furthermore we appreciate that many people cannot spare the time for the whole task so please do not be put off if you can only be with us for a short time.

HAMBLE-LE-RICE FLOWER CLUB

Depicting 'There is a Green Hill Far Away' created by Sheila Barker and Judy Raponi

Depicting Joseph and his technicoloured dream coat by Maureen Cassey

During the second week of October, several of us were involved with the Flower Festival held in St. Edwards Church in Netley Abbey. I do hope, that despite the atrocious weather many of you got a chance to visit this.

On Monday October 14th we welcomed Diane Norman for a demonstration entitled 'Ikebana'. To the uninitiated this is a Japanese kind of flower arranging and has its roots in the sixth century. So not only were we treated to some delightful arrangements but we also had a history lesson.

Our November meeting on the 11th is an all-day workshop run by Christine Wright. Commencing at 9.30am. If you haven't already signed up for this do contact Christine directly. Cost is £18 and don't forget your lunch! Anyone just wishing to

drop in and see what we're up to, feel free to join us for a coffee. You will be most welcome.

N.B. Christmas Demonstration - Thursday December 12th at 2.00pm. Sandy Bailey presents 'Christmas Delights.' This will be a very special occasion as it is Sandy's final demonstration as a National demonstrator. You do not want to miss this! Tickets are already on sale for this open meeting at £10. Contact any committee member.

Don't forget our Classes are still continuing through the Autumn and Winter usually on the third Monday afternoon of the month in the Roy Underdown Pavilion. Just contact Christine for further details.

ADVICE COLUMN BY CITIZENS ADVICE EASTLEIGH

My mum has a non-visible disability, which causes her walking difficulties. I heard something on the news about how she may now be eligible for a blue badge. How can I find out about this and help her apply?

On 30 August, the Blue Badge scheme was extended to people who live in England and have non-visible disabilities or conditions which affect their ability to walk. As a result, your mother may now qualify for a badge.

Your mother will be automatically eligible if she gets certain types of benefits. These include some categories of Personal Independence Payment and the higher rate mobility component of Disability Living Allowance.

If she's not automatically eligible she can still apply for a badge. Her local authority will use evidence from doctors and other healthcare professionals to determine whether she qualifies or not.

Your mother can check her eligibility and apply for a local authority-issued Blue Badge at gov.uk/apply-blue-badge. If she can't do this herself, you can apply on her behalf.

You'll need a recent digital passport-style photo, proof of her identity, address, details of any benefits she receives, her National Insurance number, and evidence of how her non-visible disability or condition affects

HAMPSHIRE AND ISLE OF WIGHT AIR AMBULANCE NEEDS YOU!

Hampshire and Isle of Wight Air Ambulance is the Charity that brings emergency critical care to people who need it most, in their hour of need. It costs £15,000 a day to keep the Air Ambulance flying and saving lives and last year the Charity's Critical Care Teams were called to 1,429 incidents across Hampshire and the Isle of Wight.

Hampshire and the Isle of Wight Air Ambulance is entirely funded by the generosity of our local community and we rely upon our team of volunteers to support our fundraising efforts.

This is where we need your help! We are urgently looking for new Events Volunteers, Speakers, Van Drivers, Maintenance

Support Volunteers and Collection Pot Agents. We also need volunteers to join our new Event Support Team, who support us on an ad-hoc basis at our mass participation events.

Volunteering for Hampshire and Isle of Wight Air Ambulance is fun and rewarding and you can volunteer as often or as little as you wish. Volunteering can fit around your own life and commitments.

If you have some spare time and would like to donate it to our life-saving cause, please contact our Volunteering Team on volunteers@hiowaa.org or 02380 743516 or visit our website for more details: www.hiowaa.org.

HAMBLE LOCAL HISTORY SOCIETY

There cannot be many residential roads in this country that can match the history of Satchell Lane. Many people are not aware that it was not until the beginning of the 1900s that most of the lane became part of Hamble, as in the previous centuries Satchell was a tithing in Hound.

At the next Society's meeting Society Chairman, Ian Underdown, will be giving a well-illustrated talk about its history from its first recorded mention in 1251, through many changes in ownership, occupation and use up to the present day. Agricultural, maritime and aviation activities have had a significant impact on Satchell residents' lives over the years.

Why not come along to find out how Satchell Lane has developed to as we know it today. How the houses develop up the lane in the 1900s, the businesses that were located there including its own shop Satchell Stores and the five Hamble boundary changes that affected it. In particular, an opportunity not to be missed by Satchell

Early picture of Satchell Lane, now Oakwood Way

Lane residents who will be able to gain an insight what it was like in the past through many fascinating pictures and be amazed by the story of the road in which they live. This meeting will be at the Roy Underdown Pavilion on Thursday 7th November at 7.30pm. New members and visitors are always welcomed! The cost is £2 a meeting. If you would like more information please contact the Society's Secretary, Janet Flack, telephone 8045 7189.

ADVERTORIAL

Why Accounting doesn't need to be expensive...

Switch Accounting have been helping small business owners save money on both tax and accounting fees for over a decade from their offices in Southampton & Winchester.

Managing Partner Jonathan Brothers set the company up with the aim of providing local business with the same level of tax planning that big businesses have enjoyed but at small business prices.

"New technology means that the traditional accounting model of a business owner rounding up all their bank statements, invoices and receipts at the end of the year and then reluctantly having to take time off work to meet with their accountant is

thankfully coming to an end"

Switch Accounting are able to charge a fraction of what a traditional firm charges because they work with the client throughout the year using whatever software the client uses (Sage, Xero, QuickBooks, FreeAgent, et al). Customers not currently using any accounting software receive free training and set-up that can usually be completed in under an hour.

"Technology means that by supporting our clients with their accounting software means we are able to provide them with better financial information throughout the year, and inevitably better information leads to better

decision making. For smart advice it really does pay to Switch"

All their work is regulated by the Chartered Institute of Management Accountants, and whatever your size of business you will always be assigned your own personal account manager.

Their website has a neat feature that enables you to get an instant online quote, and they are so confident that you'll want to work with them again that they are currently waiving all fees in the first year.

So if you are fed up of paying for expensive and unnecessary accounting fees contact them today.
