Training Event Invitation

Bradshaw, Lianna <Lianna.Bradshaw@wiltshire.gov.uk>

Mon, Mar 7, 2016 at 2:40 PM

Dear City/Town/Parish Council

We are running a series of training/update events on the Community Infrastructure Levy as set out below and emerging changes to national planning policy.

The sessions have been designed to cover the consultation Wiltshire Council is undertaking from 14 March to 25 April 2016 on revisions to two documents that support the Wiltshire Community Infrastructure Levy (CIL) Charging Schedule and clarify how the Council will seek infrastructure contributions from development. Further information on the consultation can be found in the parish newsletter published 7 March 2016. In addition, they will also cover the wider implementation of CIL and what it means for parish and town councils.

The sessions will be held at the following locations on the dates shown:

Tuesday 5th April 6pm – 8pm in the Cotswold Space, County Hall Trowbridge

Thursday 7th April 6pm – 8pm in the Committee Rooms, Monkton Park, Chippenham

Monday 11th April 6.15pm – 8.15pm in the Alamein Suite, City Hall, Salisbury.

If a representative from your town/parish council is interested in attending one of these sessions please email lianna.bradshaw@wiltshire.gov.uk as soon as possible so that we can secure your place.

Kind Regards

Lianna Bradshaw on behalf of Sally Canter
