Compton NEWS is back and wishes you all a Happy New Year! February's issue introduces a **revamped** dates section on the back page. Events that are reported in the body of the *NEWS* will no longer be included as this simply takes up room and is a duplication. The space will only show the permanent dates of regular meetings and events. Overall more space is freed up for editorial, so please do send through any contributions about a local event, course, meeting, social gathering, service or opportunity relevant to Compton residents.

Fete preparations are already underway and we have exciting updates that will feature in March's issue. As a reminder, mark your diaries for Saturday 9 May, 12pm to 4.30pm. If you would like to help out at the Fete, in any capacity (and join in the camaraderie!), it is never too early to get in touch with the Fete Committee. Please contact Elenid Coleman at elenidhafcoleman@gmail.com.

MILFORD PROBUS CLUB'S next lunch & talk is ***Solving a crucial problem of navigation: finding longitude***, by **Chris Vollers**, on Friday 20 February. Before the 18th century, sailors on the high seas had no reliable way of knowing their exact location. North/south location was determined with little difficulty but east/west had proved much more challenging. Chris tells the fascinating story of why tackling the longitude problem mattered so much, why it was so difficult to solve and how an extraordinary Yorkshire carpenter and self-taught clockmaker came up with a solution.

Lunch is at 12.30pm (pre-lunch drinks from 12pm). *Godalming Masonic Hall, GU7 1RQ*. Visit www.milfordprobus.com or book lunch (book the Monday before) with Miranda O'Brien: miranda.obrien@btinternet.com / 01483 423398.

The Club's activities include organised outings ending at a pub. Established in 1999, it has welcomed women members since 2016 and now has a female president. Prospective members are invited to join lunches as paying guests while considering membership.

Talks are from 7.30pm to 9pm at the *Wilfrid Noyce Community Centre, Oglethorpe Hall, Crown Court Car Park, GU7 1DY*. Les Amitiés Françaises always welcomes new members. Talks are in French. www.amitiesfrancaisesgodalming.com.

♪ **GODALMING CHORAL SOCIETY** will perform ***King Arthur***, by HENRY PURCELL at *St John's Church Farncombe, GU7 3EJ*, on Saturday 18 April, from 7.30pm. Purcell (1659 to 1695) lived in the turbulent times of the Restoration. JOHN DRYDEN's libretto deals not with Camelot and the Round Table but with a Celtic-British King Arthur and his battles against the Saxon invaders. The first performance was in 1691 and it celebrates the Glorious Revolution of 1688, when William III and Mary came to the throne. "Foreign kings adopted here their crowns at home despise" are the words of the final chorus! King Arthur was called a "musical entertainment" or a "dramatick opera" as much of the drama was spoken, with musical commentary and scene-setting. This amazing work contains some of Purcell's most lyrical music, using adventurous harmonies, and including the famous Frost Scene and the ravishing aria Fairest Isle. The performance will include only the captivating music of this dramatic masterpiece, not the spoken roles.

Conductor **George de Voil**, who is directing the semi-opera, says: "We invite you to enter the world of Saxons vs Britons in our performance of this dramatic masterpiece. Pick a side... and follow the exploits of kings, magicians and evil spirits through the beautiful verse of John Dryden and the peerless music of Henry Purcell, one of our nation's most treasured composers." Tickets, £20 (free for under 18s,) from *Record Corner, Pound Lane, Godalming*, from www.godalmingchoral.org.uk or at the door.

On Tuesday 10 February, **ARTS SOCIETY WOKING's** talk is **Screening the novel: Books into films**.
