- 0.9% reported that they were in “Very Bad Health”. This is slightly less than the overall result for Shropshire (1%)

Provision of Unpaid Care

The question asked “do you look after, or give any help or support to family members, friends, neighbours or others because of either; a long term physical or mental ill health/disability? or because of problems related to old age?”

- At the time of the Census 11% said that they were providing 1 to 19 hours of unpaid care a week. This is slightly higher than the Shropshire figure of 7%.
- 1% said they provided between 20 and 49 hours per week unpaid care. This is in line with the Shropshire figure of 1%.
- 2% said they provided over 50 hours per week of unpaid care. This is in line with the figure for Shropshire as a whole (2%) and the figure for England & Wales (2%).

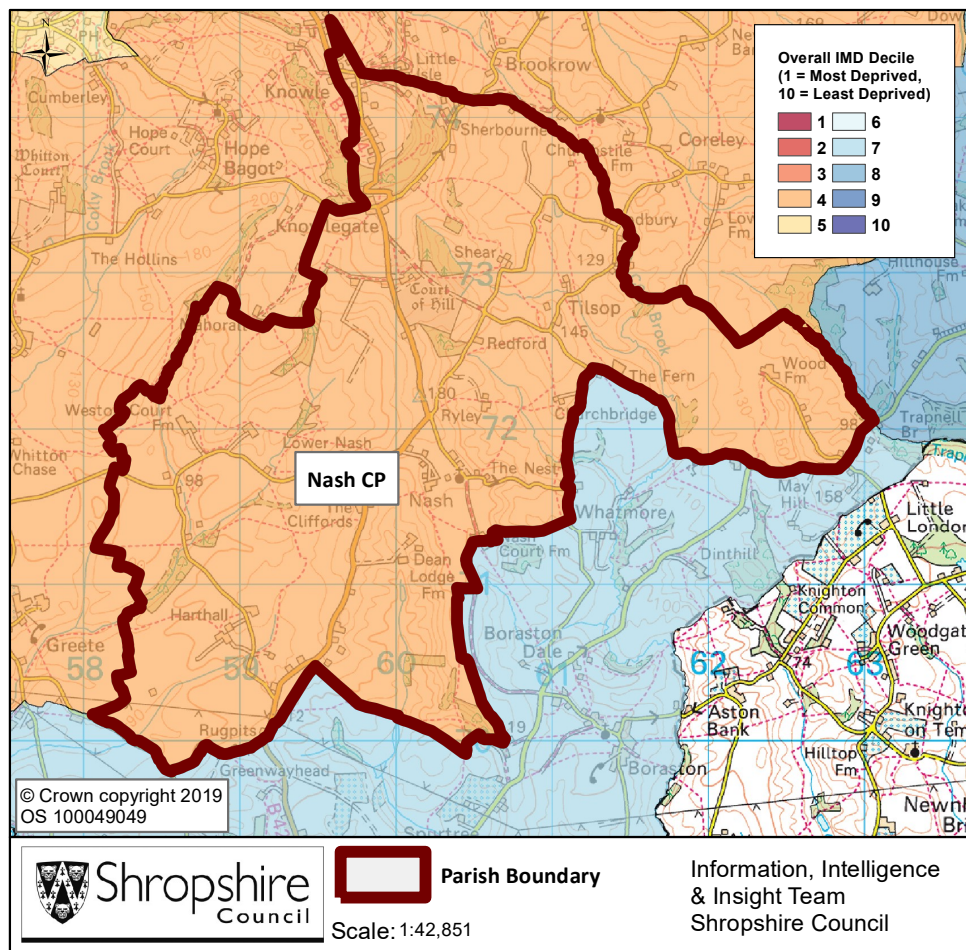

Long Term Illness or Disability

The Census asked “Are your day-to-day activities limited a lot due to a health problem or disability which has lasted, or is expected to last, at least 12 months?”

- 6% said that their day-to-day activities limited a lot due to a health problem or disability. This is less than the County figure of 8%.
