

PARISH COUNCILLOR SAM LAIN-ROSE

WRITTEN STATEMENT

Chair of Communications Group and Community Enhancement Group. Member of Employment Group (former Chair, a position now by default held by the PC Chairman), Finance & Strategy Group, Neighbourhood Plan Review Group and Planning Committee. I joined the Parish Council in 2011, the 'baby' then as now, and see my responsibilities as being to Staplehurst's present and future generations. I have lived in Staplehurst all my life in the house my grandparents bought in the 1960s.

I have a wide range of business skills and experience acquired in both private and public sector roles. I aspire to enhance the delivery of Parish Council services and facilities, co-operating with neighbouring parishes and village groups and organisations, e.g. I have worked with the football club at Jubilee Field.

Although a bit of a workaholic, I unwind by spending time with friends, walking, attending concerts/festivals and enjoying foreign sunshine.
