Council News

The Council has made its response to the County Council's Hamble Lane improvements consultation. It was concerned that, even if the improvements were implemented, there would still be a material deterioration in traffic in the period up to 2026 compared to today and most of the investment was focused on the upper end of Hamble Lane. There was no data to cover the lower stretch of the road from below the Portsmouth Road junction, causing concern that the full impact of the changes on Hamble residents had not been modelled. The proposed dual carriage way in the upper section of Hamble Lane could encourage more traffic to use it as a route to Southampton and the Itchen Bridge. The Council stated that Hamble Lane should be a road to serve the villages of the peninsula and not as a secondary route for Southampton traffic that should be using its own roads.

Concern was expressed that the signalisation of the Lane could cause

delays, particularly a light failure which could result in extensive delays. The County Council were urged to give priority to the provision of a car park at Hamble Halt station, to improve the current shared pedestrian and cycle network and also the air quality resulting from standing traffic. The improvements should be designed to accommodate the exceptionally large boat movements that are important to Hamble's maritime industry. The Council resolved to send its views to the Borough Council, Southampton City Council and local MPs.

After a public consultation with children and parents of the Primary School and Village Playschool the Council has chosen the Wicksteed design for the playground replacement scheme at the Bartlett's Children's Recreation Ground. It is anticipated work will start in mid-November and be completed before the festive break. The cost of this replacement scheme is £50,000 of which the Borough

Council News (continued)

Council has agreed to pay £14,734 from developer contributions.

As part of the Mercury Old Boys' Association final official winding-up events it presented a beautiful model of the Training Ship Mercury to the Council which will be displayed in the Mercury Library and Community Hub. The volunteers who will be operating the Hub are now undertaking the necessary training to enable them to undertake their duties safely. The Council will be holding various opening events to showcase the Mercury and highlight the community services which will be provided there.

The Council has agreed for a Brocante/Flea Market to be held on the foreshore twice next summer. The first event will include up to 35 stalls, and local residents will have the opportunity to hire a space. It is hoped there may be a specialist section focused on maritime and sailing memorabilia and that it will work in conjunction with local businesses to attract more people to Hamble.

The Public Inquiry regarding the appeal against the Borough Council's decision to refuse outline planning permission for up

to 70 dwellings on land at Satchell Lane took place last month and the Parish Council made a representation opposing the application. Now we have to wait for the Inspector's decision.

The Council has been informed that GE has now submitted a planning application for development on its sports field and car park, therefore please look out for further details when they are released. Regarding the traffic order for a waiting time limit of 30 minutes with no return for 2 hours in the new layby at the top of Coach Road, the Council has asked for the restrictions to apply 24 hours a day and not between 8am and 6pm as proposed.

Grants have been given to Hamble Flower Club for its Flower Festival at the Church to commemorate the centenary of the end of the First World War and to the organisers of the Carols in the Square to facilitate the event.

It has been decided for a trial period that future Council meetings will be held at the Mercury Library and Community Hub.

Agendas, minutes and reports for all Council meetings can be found on our website:

Message from the Clerk

This month's message is very much focused on the younger members of our community. We are trying to develop more activities for children and young people, but know we can do better. This year, we have supported Youth Options who have been appointed by Hampshire County Council to work with young people across the 3 local parishes. Although we are waiting for an update on their work over the summer, they are making progress in getting out and talking

to young people and to arrange advice and activities where they can. Additional funding will be needed to continue the project next year and the Council will be evaluating the scheme and its support for it over the next few weeks.

We also have let the contract for the replacement play area at Bartletts Field following a very successful consultation. We had over 226 people take part, of

which the majority were children. The preferred scheme included equipment that all young children could use regardless of their abilities. The scheme is designed for younger children and will cost £50,000 with Eastleigh Borough Council making a contribution of £14,000 from developer contributions.

As we get to the time of the year when we look at agreeing the budget, we will be setting out our priorities for spending on other big-ticket items. We would love to get started on Mount Pleasant, which forms part of a larger project and is a costly scheme to update given the mix of ages and the size of the area. Our ambitions, like anyone, are limited by the resources we have. Our income comes from a mixture of council tax which you pay specifically for the parish council and its activities, income from fees and charges for services like the dinghy park or hiring of playing pitches and commercial income from leases. Each year we review the balance of what we charge for and the cost, with a view to generating income to maintain public spaces across the village and run events and services. Whatever we raise comes back to parishioners in services. Where we can reduce our overheads we will, as that leaves us more to spend on the nice things.

As Christmas approaches we are thinking about how the village will mark the festive period. The Council approved a grant towards the running costs of the ever popular Carols in the Square and as usual we will be putting up lights and Christmas trees at the end of November. Last year, children and parents from across the village, with the help of Hampshire Fire and

Rescue, did an outstanding job of decorating the trees outside of the Hamble Village Memorial Hall. In the hope of repeating last year's success we will be running another "decorate the tree" event on Saturday 8th December at 10am. This year we want to focus on using natural decorations. To support us in that Kelly Jane Macey has kindly agreed to run a Natural Christmas Decoration workshop at the Mercury on 1st December. Kelly will help to inspire children and parents to make decorations from fir cones which will then be used to decorate the trees at the Hall the following week. If you are interested in attending a workshop session they will run for an hour. Numbers will be limited to 15 per hour so get in touch with us to guarantee a place. Participants will be asked to bring some fir cones with them as well as protective clothing; we will supply the fun.

Lastly, we will be tapping into the creativity of children at Hamble Primary School to help us come up with a range of signs to help us better manage our public areas across the village. We will be setting the children a brief and asking them to design signs that will encourage people to take their rubbish home with them, to clean up after their dogs and to help keep the air clean. We will take the best from each of those topics and make them into signs which will then appear across the village. I have every confidence that they will inspire us all to think about our environment and to take that extra step to help keep it nice now and in the future.

DECORATION WORKSHOP

Come along to our free Natural Christmas Decoration Workshop on Saturday 1st December.

Fir cones will be our baubles; personalised and transformed by you into angels, hedgehogs, wishes and prayers. Just bring your own collected fir cones and sea shells. If you are able to bring anything else non-plastic to adorn them, that would be great! If you'd like to make a festive wreath, then please also bring wire coat hangers, brass eye hooks, garden string, ribbon, paper straws and a glue gun.

Workshops will run in hourly slots from 10am-4pm on Saturday 1st December at The Mercury Library and Community Hub. Please contact the office to confirm your place, as each slot is limited to 15 people. Call Hamble Parish Council on 023 8045 3422 or email office@hamblepc.org.uk

FRIENDS OF HAMBLE PRIMARY SCHOOL

Friends of Hamble Primary School are delighted to announce that we have been successful in being selected for Tesco's Bags of Help award and we need you to help by voting for us.

What are we raising money for? The money we raise will be used to support outdoor play and physical activity, and in particular the installation of 'outdoor gym' type stations positioned around our field. With the recent research into the effect of exercise on learning, we feel that making exercise fun and accessible is key.

Our project, along with 2 other community projects in the local area, will be voted on by customers in Tesco stores throughout November and December. Following the

vote, the project that received the most votes in its area will receive a grant of up to £4,000, second place receiving up to £2,000 and third place up to £1,000.

How can you help? When you shop at Tesco in November and December please ask for a voting coin and pop it in to our slot in the voting unit as you pass by.

We are very excited by this project and hope we receive lots of votes.

Thank you from Friends of Hamble Primary School.

ADDITIONAL PLACES AT HAMBLE VILLAGE PLAYSCHOOL

After a busy few weeks settling new starters in to our village playschool we are now able to offer some additional places to local pre-schoolers for the rest of the Autumn term and in to Spring and Summer 2019.

The playschool is a community run pre-school for children from Hamble and the surrounding area. At present it has around 40 children attending, and it runs half-day and full-day sessions for children aged between 2 years 9 months and 5 years. It has close links with Hamble Primary School although its children may also go on to attend other schools in the area.

Hamble Village Playschool endeavours to provide the best possible learning environment for pre-school children, and it achieves this by teaching and learning through play. The fantastic and dedicated staff make sure the atmosphere is a happy one, where children feel supported, valued and safe.

The aim is to provide a secure, fun, varied and stimulating environment. It offers

the children the opportunity to learn and explore using a wide range of activities and equipment covering all areas of the Early Years curriculum, providing the best possible foundations for their future. The playschool is registered with OFSTED and is proud of its "good" judgement, which was reconfirmed in the latest OFSTED inspection at the start of 2018.

Julie Ash is the playschool manager and if you are interested in your child attending the playschool please contact her at the Memorial Hall, call her on 07903 388 568 or email:

julie@hamblevillageplayschool.org.uk.

Julie is very willing to talk to you and provide any further information. If you would like to contribute personally or through your business to the playschool's fundraising activities, please contact her and she will pass your details to the committee. To find out more about Hamble Village Playschool you can look at its website:

TEAM MEMBERS AND DRIVERS NEEDED

Residents of Hamble do you like meeting new people? Would you like to give something back to your community? We are asking for your help to keep a valuable service going in your village. The Hamble Good Neighbours group exists to support older and vulnerable people in the village to help them get to important hospital and doctor's appointments. Come and join a welcoming and friendly group of people who volunteer a few hours a week or month to make a huge difference in people's lives.

We need volunteer drivers and team members to help run this important group. Perhaps you are really good at IT or social media or could help filling in forms.

We know you are busy but if enough of us

give a little of our spare time it all adds up and together we can make life a little less isolated and easier for someone else. Truly, you don't need to commit any more time than you want to.

All expenses are paid (45p per mile reimbursed), come and join the team and help make Hamble a better place.

A quote from one of our service users "I don't know what I'd do without the good neighbours, it makes such a difference to see a friendly face when I go to the doctors".

To get in touch please email: hamblegoodneighbours@gmail.com or telephone: 08456430371

We look forward to you joining the team!

TEA, CHAT, MUSIC AND DANCE

Beryl has been a resident of Hamble since 1977, having moved here from Thornhill with her husband, Buck. Originally from London, she moved to Southampton in the 1950s. A popular resident of the village, Beryl loves to meet people. When Beryl met Buck, he was in a vocal harmony quartet along with her brother, Doug and then went on to form a band, in which he played until he retired. So, music and dance have always been a big part of Beryl's life.

Beryl was diagnosed with vascular dementia a few years ago and sadly lost her husband, Buck, 18 months ago so her daughter, Sue, is now her full-time carer.

Sue says: "I remember, growing up, we always had fabulous parties. Mum would make amazing spreads of food and would don her top hat to do her 'Burlington Bertie' routine. Since her diagnosis, Mum's speech has deteriorated so communication is very difficult. I wanted to take her somewhere she could enjoy music and dance. She lights up when music is played and, despite her speech limitations, is still a very social person. I tried to find local dances but there were very few, and most were 'tea dances' which, with its formal style of dance, wouldn't have suited Mum. I grew frustrated with the lack of musical events aimed at the retired community, which is when I decided that we should do our own. I was very conscious that I wanted it to

be a relaxed, informal event aimed at the retired community. I'm aware that dancing may not be everyone's cup of tea, so want to emphasise that people are welcome to come along to just chat or sit and listen to the music."

If you or someone you know or care for would like to meet new people or simply just have a change of surroundings for a couple of hours, then join us on the second Thursday of each month at the Hamble Village Memorial Hall for Beryl's Tea Shuffle. All are welcome. Entry is just £2.50 which includes cup of tea and biscuits. More more information, call Sue on 07944 574 344.

HAMBLE CONSERVATION VOLUNTEERS

In memory of a dedicated long-serving volunteer we used part of his bequest to fund a tree and plaque that has been positioned by the lifeboat station near the foreshore that he enjoyed so much. A joint effort by our group and Parish Council ground staff preparing the ground and carrying out the planting, resulting in a marked improvement to the appearance of this very popular amenity.

The task in November is likely to be a return to the familiar task of controlling the growth of scrub on the Common, however, it is possible that we may continue with the repair of the path running alongside the boundary with Hamble Point Marina which

currently becomes waterlogged during the wetter months.

Regardless of the task, we welcome volunteers. The tasks can be arduous but there are roles for a wide range of abilities. Furthermore, we appreciate that many people cannot spare the time for the duration of the whole task so please do not be put off if you can only be with us for a short time.

Hamble Sea Scouts' Great River Marathon Success

Hamble Sea Scouts achieved great success in the 21.6-mile Great River Marathon up the River Thames in London, on Saturday 8 September. They achieved three first-places, two second-places and one third-place! The race started at London Docklands and finished at Ham House, Richmond. The race passed under 10 famous bridges.

The Great River Race (GRR) is London's River Marathon. A spectacular boat race up the River Thames, with well over 300 boats carrying approximately 2,400 competitors racing for 35 trophies, which has become the biggest and most prestigious event of its kind in Europe.

The race appeals to every level of competitor! From dedicated athletes who like winning, to those who enjoy laughter, fancy dress and charity stunts, it's a great fun day out for both competitors and spectators.

Toby's Obie Ones

The Hamble Sea Scouts came 1st in the junior under 18s in Exocet, a Bursledon Gig, crewed by Toby's Obie Ones. 1st in the junior under 14s in Point Source, a Bursledon Gig, crewed by Lenny's Can Cans. 1st in the Scout Affiliated Category also in Exocet, crewed by Toby's Obie Ones. 2nd in the junior under 16s in Michael Schmidt, a Bursledon Gig, crewed by Girl Power. 2nd in the Scout Affiliated category in a Cornish Pilot Gig, crewed by team Mercury and 3rd in the under junior under 16s in a Bursledon Gig, crewed by Lenny's Can Cans.

Gin and Stout: Sarah Thomas (cox), Sharon Hoey, Lynn Dodds, Natalie Ford, Rachel Akhurst, Penny Tidman (passenger).

Gin and Stout crew are made up of HSS Mums. They also help run the unit. Although they didn't win, they completed the 21.6-mile course with a smile.

Team Mercury

Hamble Sea Scouts welcome new members. They meet on Friday nights. During the summer months, they meet at Mercury Marina, Hamble and take part in Kayaking, Sailing, Rowing and Power Boating. In winter months they meet at their HQs on Hamble Lane. There are lots of other activities they take part in too.

The Sea Scouts are funded by subscriptions and kind donations. The Sea Scouts are looking to refurbish their HQs in Hamble and would love to replace some of their aging boating equipment. If you would like to support the Sea Scouts financially or sponsor any of their sporting events, they would love to hear from you!

NO JOB TOO SMALL

HAMBLE-LE-RICE FLOWER CLUB

On Monday October 8th, a dull grey morning, members and visitors were entertained by Melanie Smith demonstrating her "Flowers bring Smiles". Melanie did five arrangements from a handbag design to a beautiful horizontal one in green and cream. She had made some interesting wire constructions to support her flowers in some designs. A very interesting afternoon enjoyed by all.

Don't forget the special Flower Festival at St. Andrews Church to commemorate 100 years since the end of World War One over the Remembrance Days of Friday 9th to Sunday 11th November 2018.

Monday November 12th at 1.30pm

We have a talk on photography by Steve Ingram entitled "Who Needs a Camera?" Come along to find out, and bring your friends and family too - all welcome!

Christmas Lunch

Our Christmas lunch is this year at "The Dolce Vita" on the Square, on Monday 3rd December at 12 noon. Enquiries to Judy Raponi on 02392554157.

Monday 10th December at 1pm

Not to be missed our popular Christmas Demonstration is with National Demonstrator, Coral Gardiner entitled "A Country Christmas" tickets from committee, £10. A real flower extravaganza!

The New Beginners Classes are really popular. They are on the third Monday of the Month and anyone interested should contact Sheila Barker or Judy Raponi.

The Hamble Le Rice Flower Club consists of a friendly group, mainly but not exclusively of ladies, who meet on the second Monday of each month at 2pm in the Hamble-Le-Rice Memorial Hall.

Visitors welcome at all Club events, just turn up or if you require more details/tickets:

Valerie Pritchard, Chairman: 02380455952

Sheila Barker Vice Chairman 02380453718

Rosemary Dorman, Secretary: 02380452385

'LEST WE FORGET' FLOWER FESTIVAL, ST ANDREW'S CHURCH

This year is the centenary of the end of World War 1 and to mark this very significant anniversary, St. Andrew's Church, Hamble, in conjunction with the Hamble-le-Rice Flower Club, is holding a flower festival entitled 'Lest We Forget'.

The festival is to be held over three days 9th, 10th and 11th November and will offer visitors the opportunity to see stunning and creative floral displays and time to reflect and remember those people involved in all conflicts.

Displays will describe, in flowers, the sights of war and peace. Ten of the displays will relate to those from the village of Hamble who were lost in the Great War.

The festival is open from 10 am to 5pm on Friday 9th and Saturday 10th November and from 12.30 on Sunday 11th November entrance is £5.00, accompanied children under 16, free. Refreshments will be available throughout the days

HAMBLE LADIES GROUP

In AUGUST of this year we filled a 52-seater coach and made our way to Goodwood House in Chichester for a tour followed by high tea.

We were warmly welcomed and split into two groups for an extremely interesting tour. Part of the house is still the home of Lord March and his family, but we were able to wonder around and enjoy the splendour of the rest of the house which was adorned with many beautiful paintings and portraits of the family.

After the tour, we were seated in the Minstral Gallery where we were served with pots of tea and coffee, sandwiches and cakes of many varieties which were delicious. A very good day out and thoroughly enjoyed by everyone.

In September, Jenny Leeves come and gave a very interesting talk and slideshow on the Bursledon-based Greyladies Arts Foundation.

Originally a private home, which in 1905 was bought by a Mrs E Shaw-Storey who was able to do a lot of restoration work to it, converting the ballroom into a Catholic Chapel for worship not only for her own use but also that of local people. This wasn't always popular and the chapel suffered quite a lot a vandalism.

Mrs Shaw-Storey bequeathed the building - Greyladies - to the Roman Catholic Church but, in 2004, they decided to put the property up for sale. Anxious that the building and land wasn't bought by a developer and converted into housing, a group of local residents decided to buy it themselves and make it into the Arts Foundation Charity.

After a lot of hard work restoring the property, the Foundation now serves as a meeting place for all sorts of activities: coffee mornings, art workshops, Heritage

Centre for the history of Bursledon, Brownies Workshops, parties, children's and adult's workshops, social evenings and concerts to name but a few. All these activities help to raise money for the charity and keep the Foundation going.

Jenny gave us a very interesting insight into what it is all about, and lots more history but much too much for me to cover here.

In October, Viv Carter came with an update on The Honeypt Children's Charity, whose motto is 'one childhood, one chance'.

Honeypt works to enhance the lives of young carers and vulnerable children, aged 5-12 and it is the only charity in the UK to provide respite breaks and on-going outreach support throughout a child's formative years. Honeypt gives young carers a break from demanding and stressful responsibilities at home and provides a safe, nurturing environment where children at risk can develop their full potential.

Children go to Honeypt House in the New Forest or to Honeypt Pen y Bryn, mid-Wales to take a break alongside their peers. Activities such as riding a bike, learning to swim and going on a trip to the beach are often experienced for the very first time. Most importantly, children have the chance to be children - they can play, make friends and create memories to cherish for years to come.

You could tell by her enthusiasm that Viv is very passionate about the charity. She explained that, as there is no government support, the charity relies solely on donations and that in the New Forest, they are supported by a lot of local organisations and the New Forest Rotary now donate their Christmas shoe box appeal to the Honeypt; these boxes are then distributed to all the children at Christmas. the only present they get.

A very heart wrenching wake-up call to how hard it is for these young children to survive on a day-to-day basis when they are home trying to care for maybe ill parents or siblings or living with domestic cruelty. An amazing charity which needs a lot of support to give these children the respite they need.

Viv's talk was very, very interesting and once again a success for the club.

Every year we donate to a charity of our choice and this year we chose The Honeypot Children's Charity and were pleased to hand Viv a cheque for £250. A

very worthwhile cause.

For our next meeting on NOVEMBER 13th at 7.30pm we have the Bishops Bell-Ringers coming along to entertain us. Should be fun. On 11th DECEMBER we have our Christmas Dinner at the Beach Hut in Hamble at 7.00pm which brings us to the end of our meetings in 2018.

It has been a very good year for us. Thanks to all the Committee and to all the members for their support. Our AGM is on 8th JANUARY 2019 at 7.30pm. Why not join us and see what we have lined up for the first 6 months of 2019.

All the best to everyone, Bobby Conduit

Hamble Local History Society

There have been requests that the popular series of booklets about Hamble written by Ian Underdown, in conjunction with the History Society, should include the village's aviation history. Therefore, a new booklet has been written on 'Aviation at Hamble' which will be available at the Society's next meeting when Ian will be giving a talk about this important aspect of Hamble's history.

The history of aviation at Hamble started within 4 years of the first flight in this country, when the Daily Mail newspaper based its seaplanes at Hamble Point for a promotional tour and demonstrations around the coast in the summer months. The ability of Hamble to provide facilities for both seaplanes and land aircraft attracted aircraft companies Avro and Fairey Aviation to the village during the First World War. In the Second World War, Hamble was the largest Spitfire repair base in the country. Today, GE Aviation continues to be an important part of Hamble's life being a major employer and multi-million pound manufacturer of aircraft parts for companies such as Airbus.

Ian will be giving an illustrated talk in

Spitfires at Hamble

much more detail about these and other important aviation companies that were a part of the village's aviation history, including Air Service Training (known as Britain's Air University), Folland Aircraft and the College of Air Training. Many Hamble residents worked for these companies, and their families have many good memories of them.

Why not come along to the Roy Underdown Pavilion on Thursday 8th November at 7.30pm and find out about this important aspect of Hamble's history? New members and visitors are always welcomed! Our meeting fee is just £2. If you would like more information please contact our secretary, Janet Flack, telephone 8045 7189.
