Hi Simon and Chris,

We have received a grant for £441.80 i.e. 60% of the cost of the gates (ex VAT) I cannot see the logic in the calculation with regard to what makes up that number.

I have submitted an enquiry to the Countryside folks because we followed the application guidelines and I expected that we the HPC would contribute £335.70 (VAT plus matched funding).

However, it transpires we will be required to contribute £443.80 which is a £108 increase on expectations.

Jan
