Join us for:

- **An introduction to Eden Rivers Trust**, and what we can offer as part of our new *Reconnecting and Reviving the Caldew project*,
- **Talk on Soil Health from Prof. John Quinton** (Lancaster University), and
- **Supper** - please let us know your dietary requirements.

Please join us to explore working together on challenges - from the changing climate to the current financial outlook and find out how the Trust can help with **water management, nature recovery and future-proofing the farm business.**

For farmers in the Upper Caldew & Caldbeck catchments (Mosedale, Hutton Roof, Millhouse, Caldbeck, Whelpo, Fellside & Branthwaite)
