THANK YOU

I am so very thankful to have such good friends in the village. I have had numerous cards and beautiful flowers, offers of help and so much support that I am overwhelmed. Robin, who never wanted any fuss, would be amazed.

My thanks to everyone who has eased my burden at this very difficult time. Madeleine

THANK YOU

I would like to send my sincere thanks to all of you who have been in touch or sent cards and good wishes for my speedy recovery after my emergency admittance to Ashford hospital on the 4th June. After 3 operations they finally saved my life and I have started the very long recovery process. I am so grateful to have so many good friends in our wonderful little village and I miss you and can't wait to see you all again.

With my kindest regards. Tony

GREENFEST - 7TH SEPTEMBER, 10AM-4PM - HAMPSTEAD NORREYS

Join us on 7th September in Hampstead Norreys for GreenFest, a big, free, green event for the whole family. Throughout the day you'll be able to browse local sustainable business stalls, talk through domestic solutions with suppliers and attend a whole host of free talks and workshops that will inform and inspire you. There'll be plenty going on to engage

the kids too from the littlest ones through to the teens.

At GreenFest we're providing a one stop shop where, no matter how far along your journey to living and thinking sustainably you may be, you will have the chance to learn something new. We've lined up some fabulous speakers to cover a whole host of fun and educational topics; climate change at a government and local level, eating seasonally and sustainably, creating a sustainable wardrobe and caring for the environment around you to name but a few. We have tonnes of workshops planned for the whole family plus plenty of fun crafty things to get stuck into, all themed around tips and advice to safeguard our beautiful surroundings. And to top it all off, the pub will be hosting MusicFest from 1pm til late, the perfect way to end your day with us.

GreenFest will be held across 5 venues in Hampstead Norreys....and everywhere in between. From the village green to the Hampstead Norreys Community shop and on to the pub, everywhere you turn there'll be something that captures your attention.

Visit www.communitygreenfest.weebly.com to keep up to date with what we have planned.

We really hope we'll see you there.

NEWS FROM CAROLYNE CULVER, GREEN PARTY COUNCILLOR FOR RIDGEWAY WARD

Following a campaign we launched six months ago, West Berkshire Council has at last announced a climate emergency and pledged to develop a strategy to become carbon neutral by 2030. Ultimately the biggest challenge facing humanity is climate change because it effects whether we survive. The Greens have submitted some ideas for a carbon neutral strategy and a motion opposing a third runway at Heathrow. The airport is the largest single source of carbon emissions in the UK.

I am still campaigning for better plastic recycling. I've contacted other councils asking how they manage to do it when our council doesn't! I've asked to see West Berkshire Council's contract with Veolia, the waste management company who deals with all our waste and recycling.

I continue to oppose the garden bin charge because I think it discourages recycling and is a regressive tax. The council has opened subscriptions for the year beginning September 2019 this week, but it has scrapped the £25 March-to-September option. We have challenged them about this.

Remember you can report fly tipping, unemptied bins, pot holes and so on by searching for 'West Berkshire Report a Problem' on the internet or visiting www.fixmystreet.com If it's urgent please email customerservices@westberks.gov.uk or call 01635 551111. If you are not happy with the response you get please contact me. I hear from a lot of residents about all kinds of concerns which I obviously can't go into the details of here, but if you have a query and you're not sure who to speak to please do get in touch.

Residents in East Ilsley are currently concerned about the lack of publicity about planning applications. I have spoken to West Berkshire Council about this and they have said they are only obliged to put up orange signs in the locality of a planning application. They used to send out letters but stopped doing that and saved £20,000 per annum. If you want to see information about planning applications please visit <https://publicaccess.westberks.gov.uk/online-applications/> If a planning application receives ten letters of objection it has to go to a planning committee where representatives of the three political parties debate it and local people can go along and speak. As district councillor I am allowed to 'call-in' applications to this committee too so that they get extra scrutiny.

Best wishes

Carolyn

WEST ILSLEY FETE 2019

Thankfully this year wasn't quite as hot as last year but the sun still shone on us.

The crowds flocked to West Ilsley for our annual village Fete & dog show. There was plenty to do for all the family and everyone was kept well lubricated at the cricket club bar, Nigel Chubb did a great job with his helpers, the bar was never empty. As did Dewi, Alan, PC & Richard on the BBQ, keeping us all well fed, thank you, it must have been very hot slaving over the flames! It was Dewi's first year running the bbq, I think we all agree he did brilliantly and Richard took a well earned step back, although he was still there to oversee.

As always everyone involved in the Fete worked tirelessly and the committee are extremely grateful to all who helped out and would like to thank everyone who attended and supported us on the day. A HUGE thank you to those of you who gave generous donations and sponsorship, without your help it just wouldn't work. Another big thank you to those of you who gave up their time to run stalls all day, it's not an easy task.

Thank you to the Carlisle Clan for all your help taking things back and forth and all your help throughout the day and also a big thank you to David & Tori Carlisle for the loan of the sheep and fencing. The dog show was a success, with plenty of water and paddling pools available for the pooches. Penny and her helpers worked hard and did an amazing job with organising and judging, thank you.

Sarah & Benji put on a very interesting obedience demonstration.

The Evergreens ran the bottle stall and did amazingly well this year, thank you to everyone who donated a bottle, hopefully you didn't win it back!! Julia Rockall and her team were labelling bottles for days and days, thank you.

Rachel and Rosanne ran the teas, coffees & cake stall on behalf of Brightwalton School, they did a fantastic job keeping everyone happy with tea & cake, thank you.

Well done to you all who wanged wellies, some pretty impressive distances were thrown. Big Will stole "The Sheriff's" winning title. Don't worry, there's always next year!

The Barrow of Booze was won by The Hudson's this year, cheers!!

The raffle, as always was very popular with the crowds, with some great prizes up for grabs, including a £50 voucher for The Eyston Arms, family Newbury Show tickets, rib of beef, leg of lamb and much, much more. It raised over £450 which is fantastic! Well done to those of you who won prizes. Olivia & Gail (on behalf of All Saints Church) did a great job on the clothes & bric-a-brac stalls, we know it's a tough job and thank you so much for running it so well on the day. Anything that wasn't sold we donated to charity.

The Tennis club ran the coconut stall and the crockery smashing this year and did a great job, thank you to everyone who helped run the stall.

The tug-of-war was a fun way to round off the fete, the Newbury firemen put on a good show for the crowds. West V's East is always a crowd pleaser and obviously West won. Well done to everyone who tugged.

As ever Wes rocked up just in time and entertained us all throughout the day on the microphone. We are very grateful, without him one of us would have to do it! Thank you Wes.

A big thank you to The Pearey Family for letting us use their paddock as the car park for the day.

We raised a fantastic amount of money this year and will be donating to various charities and organisations within the village as well as The Air Ambulance and The Newbury Fire Brigade.

Income - £4815.95

Outgoings - £3141.49

Donations given out - £1500.00

Retained profit for next year - £174.46

The amount we have been able to donate changes each year, it all depends on the footfall on the day. Amongst the costs this year were the lovely donkeys, the first aiders, the sound equipment and all the new electrical equipment.

This year we struggled with numbers of volunteers. Planning a Fete is tough and for the last several years it has fallen on the heads of the same people. Step up, your Fete needs YOU!!

We were missing a vital part of the fete team this year and it just wasn't the same without him. We muddled along and I think we did him proud, no doubt he will be on the phone soon enough for a low down. We all wish you well Tony!! Come home soon!! Xx

Thank you again to everyone!
