

Lichfield Society of Artists Newsflash December 2022

Chairs Christmas Message

Hello everyone.

Well, we've had an interesting although a challenging year once again. Unfortunately, due to circumstances beyond our control, we've had to move from our 'home' of Saxon Hill but are getting used to the new venue where everyone has been very accommodating and friendly. The committee have decided to remain at The Social Club in 2023 and the dates have been booked. This means we can continue to meet on Wednesdays. There is plenty of parking and the room is large and airy, so space for all who attend.

We've had some really enjoyable meetings in 2022 and plans for our Christmas meeting are going well. We are working on a programme for 2023 which we hope everyone will enjoy.

With that in mind, I wish you all a Very Happy Christmas and a Happy and Healthy New Year.

The Society welcomed Mary Griffin to the meeting. Mary gave out the prizes she had awarded at the October Exhibition. She also gave some insight into her choices and some discussion ensued. Sketching Group Meeting 10.11.2022

The last Sketching group meeting of 2022 took place at the National Memorial Arboretum. The photo, left, shows group leader Kevin McCarthy with his sketch, done on a windy and cool morning. The group is now having a break and will resume meetings in the spring. Our thanks go to Kevin for organising varied and interesting locations for the meetings this year.

A Message from Shenstone Library to L.S.A. Artists

Dear members,

Shenstone Community Library has recently produced greetings cards from art images that have been hung in the Gallery.

The cards are selling well and now the Trustees wish to extend the range not only of flower paintings which was the initial subject but also Animals, Pets and local scenes.

If you would like to take part and your image was chosen then your email and web site will be included on the back of the card so some advertising there plus your images being recorded for future use.

If you are interested to take part, please let me know via my email dfh.art@icloud.com

Send me an image or images and we will get this underway in January 23

Regards Dennis Harper
