Lucy Millard and Gill McGill finished our meeting with an  
interesting insight into the running costs and services offered  
by Beaumont House in Newark. This year they forecast a  
deficit of £100,000. As their 2 charity shops bring in a large  
percentage of the monies needed, they are going to open a  
3<sup>rd</sup> shop in Collingham, hopefully by late October and were  
appealing for volunteers.
