- 1% precept increase
- Includes £500 for website, £1000 newsletter
- Tree survey deferred to 20/21
- War Memorial – may receive grant

h) Website

Full Council had already agreed to change provider for email and website, and formal quotations requested for a new provider. The cheapest quotation was approved:

- Website: Hugo Fox, Bronze package to commence at £322.50 + VAT.
- Email: Ionos £2 pm + VAT.
- Domain: £4 pa.

i) Defibrillator

Agreed that the Heartsine 360P defibrillator, at a cost of £695.00 + wall bracket £76.00 + VAT is accepted.

j) War Memorial

War Memorial Trust had advised that our application for grant aid had been refused, on the grounds that we had benefited from a grant previously, and that the photographs supplied showed only the need for cleaning, rather than restoration. Further quotations to be received for cleaning and re-lettering.

k) Assets

A copy of the Asset Register which lists all Council assets for non-insurance purposes had been supplied to all councillors. Clerk had obtained all deeds from Lloyds Bank, and is in the process of scanning these digitally for storage. The bank will no longer accept storage of the Deeds, and it was agreed that our solicitors are approached for a quotation for their future safe storage. A ceiling of £150 was agreed.

### 84. Appendix 1

#### County, Borough, DAPTC and Police reports

##### a) County Councillor D Mellor reported:

- Local schools had reported 1 case of Covid, but self isolation had contained the problem thus far. Public health was in a good situation, with no problems with the supply of PPE and equipment.
- Finance – the accounts were not accepted, as the Government still owes HCC hundreds of millions, but this should be resolved soon.
- A speed trial in Baughurst Road has been deferred. (This Council noted increased traffic speeds on all major roads in the parish).
- Housing and Planning – currently talks about infrastructure. PIPs have been used in certain situations.
- Highways – 60 flood warnings issued in the recent two storms, and gritting lorries were out in November. Otherwise, highways are in good shape.
- Cycle and Walking Strategy Summit held in October, to be published in spring 2021. Strategies are in place, but some schemes are not in line to be made permanent and will be scrapped.
- Trees – land at junction of A340 and Heath End Road – HCC Estates cannot find ownership of the land. Fencing has been reported, but not as high priority.
- Crabs Hill – recent rumours involving Wolverton Road have been discounted as untrue. The works have been carried out already, with further works expected adjacent to 'The Old Hare and Hounds'.

##### b) Borough Councillor W Lovegrove reported:

- 4 x 4 owners had been seen removing 'road closure' signs outside recent works in Baughurst Road
- Bark chippings – Veolia may supply – Clerk to investigate
- Heath End Hall – have carried out a recent tree survey, involving some felling and remedial work, to be expedited soon
- Strong petitioning continues to save the oak tree in New Road, due to be felled

##### c) Borough Councillor M Bound reported:

- Planning – two planning applications to be heard by DC on 9<sup>th</sup> December relating to Baughurst, one in Inhurst Lane and the other in Baughurst Road, the first recommended for refusal and the second for approval
- Had taken part in a member briefing yesterday (25<sup>th</sup>) relating to an outline planning application for a warehouse distribution site adjacent to junction 7 of the M3 that ostensibly will provide, on site, around 1300 jobs and Borough wide many more
- Had also taken part in a Zoom meeting yesterday lunchtime with Citizens Advice Tadley; their annual AGM, where we heard of the great work that they have managed to carry on with during the Covid pandemic, mostly through working from home
- This evening had attended a members' briefing entitled 'Smarter Working', where it was explained to Members the future direction that the Borough would like to take in terms of getting the most out of their buildings in Basingstoke, and factoring in things like 'home working' that has come very much to the fore of late, and which the Borough thinks will continue into the future
- As Members we were yesterday informed of the sad death of Cllr Anne Court, member for Kempshott, who died on the 24<sup>th</sup>. Some of you here might have known Anne through DC. When I first joined the Council Anne was Chair of the committee and up until her death, was Vice Chair.

- As always, he continues to deal with residents' concerns within the ward
  - BDBC is considering closing Parklands, and refurbishing Deanes to be more 'green' and energy efficient.
- d) Basingstoke and Deane Association of Parish and Town Councils
- Meeting held the same night as this meeting
  - BDBC Play areas – 31 rural councils are affected by the recent decision to charge them annually at £500 per playground, for weekly inspections. This affects approximately half of the electorate of the borough. Play areas within Basingstoke town will continue to be inspected for free, which represents dual taxation for rural dwellers. A formal consultation is urged, and it is hoped that a grant application situation may result for both this, and for litter collection.
