Gavin Murphy (Chair) Present

Rob Hansen Peter Turley Geoffrey Fletcher **Kenton Stewart**

In attendance: Cllr Paul Bartlett and Tracey Block (Clerk)

To be action	
Apologies for Absence Apologies had been received from: Councillors Ken Botfield, Jan Oakley-Hills, Henrietta Sawdon and Lee Whitehead.	
Declaration of interest in items on the agenda Cllr Fletcher declared an interest in the Sports Club.	
Chi Fletcher declared an interest in the Sports Club.	
Minutes of the Meeting on 15 th October 2018 were approved as a true record and signed accordingly.	
Matters Arising from the Minutes	
Sports Equipment and Speed sign	
The Clerk had contacted Michelle Byrne at Ashford Borough Council and there are grants that can be applied for. The Clerk is to apply to ABC for the sports equipment and to KCC for the speed sign. It was noted that in the meantime, the current sign battery is not lasting more than 4 days, a replacement is to	ТВ
be sought, and Cllrs Murphy and Turley are to look into this.	GM/PT
Millennium Green Path –road tape	
Cllr Stewart will undertake the work.	KS
Speeding in Kingsford Street (Cllr Stewart to report)	
Cllr Stewart had spoken to the residents who raised awareness of the problem and they reported a slight	
improvement of late. The residents will be vigilant.	
Response from Borough Council regarding the Planning Enforcement issues in the Parish	
It was agreed that this would be discussed again at the January meeting	ТВ
Kerbs	
Another mobility scooter user has asked for dropped kerbs opposite the Royal Oak, one on the corner near	
the bus shelter and one on the corner opposite the Post Office. Mobility scooters currently cannot access	
the bus as they cannot get on to the kerb and have to drive in the road on this particular stretch.	ТВ
Public session: To receive questions and comments from the public on any agenda item.	
There were no members of public present.	
Report from Borough Councillor	
Cllr Bartlett reported that he had picked up the key for the new notice board at Finberry, Paul is happy to	
put up posters if emailed them.	
There had been a request for a library – the member of the public is liaising with relevant parties.	
The consultation regarding the proposed closure of the William Harvey Hospital needs to be acted as soon	
as it is open in 2019. To only have one A&E department in East Kent in Canterbury would mean that a	
majority of East Kent residents would be more than 30 minutes from an A&E department and there is no	
money available for road improvements so the area would be incredibly difficult to get to.	
As part of the 350 more houses on Bridgefield it was noted that there are no off-site play contributions

The Councillors considered the draft budget and agreed to precept for £19,500. A payment will be made to the Sports Club as a one-off donation if both support and confidence is gained from the Parishioners and the Club.

Thanks were expressed to all those involved in the commemoration of the end of World War 1. It was suggested that the Clerk contact the Fete Committee to ensure they have a risk assessment which includes having animals present on the field.

ТВ

Draft Survey

A draft survey was circulated and everyone is to take a look and provide feedback to Pete by 23/11. The intention is to circulate the survey in February.

ΑII

KALC

It is felt that contact is being lost between the Parish Council and KALC. The minutes are to be sent to the Chairman. This matter is to be discussed at the next meeting.

ТВ

Finberry Working Committee

A suggested working-committee or Parish Council sub-committee for Finberry was suggested, this will also be re-visited in January.

To consider any changes to the Risk Assessment

The Clerk is to re-visit the Risk Assessment for beacon lighting for Mersham.

Any Other Business

It was noted that the Sports Club are looking to renew their trust document and would like the Parish Council as a body to be the trustee. The Parish Council would need to be comfortable with this position, and would, therefore, need to know what this would entail and what responsibilities/liabilities the Parish Council might have.

There had been praise for the commemoration event and it was suggested that a couple of events per year should be organised to make more use of the JPF. It was agreed that this should be discussed further at the January meeting.

TB

It was questioned as to whether the 30mph sign in bower Road could be moved to encompass the new home. This was investigated previously but suggested that given the last months experience of residents and reports of speeding traffic, a review of traffic movements could be undertaken and the red bands throughout the village renewed.

ТВ

It was also suggested that speed bumps could be installed in the Street.
