

# WORLDHAM NEEDS YOUR OPINIONS AGAIN!

## WORLDHAM PARISH PLAN UPDATE

The Parish Council has recognised the need to update the Parish Plan published in 2010 to help guide the future of East Worldham, West Worldham and Hartley Mauditt. The original Parish Plan is available to download from the parish website, [www.worldham.org](http://www.worldham.org).

A sub-committee of the Parish Council has been set up to carry out the review. One of the first actions of this committee is to carry out a preliminary survey to obtain views on the topics parishioners would like to be considered for a more detailed questionnaire. This questionnaire will help update our Parish Plan for the future so your views are extremely important.

Arising from some of the action points listed in our Parish Plan the following are examples of what has been achieved in the last seven years:

refurbishment of the playground  
modernisation of the kitchen in the village hall  
re-roofing of Hartley Mauditt Church  
development of Worldham website  
30 mph speed limit on B3004 at E Worldham

introduction of Speedwatch  
Welcome Pack for all new parishioners  
repairs to East Worldham Church tower  
pedestrian refuge outside the village hall  
Neighbourhood Watch revised and renewed

Please complete the survey by **15 May** and give it to .....  
who is covering your area. Alternatively post it to Mary Trigwell-Jones  
'Selborne', Caker Lane, East Worldham, GU34 3AE

**FEEL FREE TO RAISE ANYTHING THAT IS IMPORTANT TO YOU.**

TOPIC	CONCERN
Example: Communication	Example: Slow broadband – signal drops

If you have any questions about this survey,  
please contact Mary Trigwell-Jones 01420 83389  
or [mary.trigwell-jones@outlook.com](mailto:mary.trigwell-jones@outlook.com).

On 4 May, County Council Election Day, there will also be  
a display in the Three Horseshoes pub that provides another  
opportunity to register your concerns/suggestions.
