1. Delivery actions

- 1.1** This is Stinsford Parish Council (SPC)'s delivery plan action list. It is divided into short (1-year), medium (2.5 years) and long term (5-year +) actions. This is a working document. It should be read in conjunction with Stinsford Parish Council Climate and Ecological Emergency Strategy.
- 1.2** Once the working group is established, the objectives will be reviewed and amended with all changes being subject to the agreement of the Parish Council. The Parish Council will review progress and identify further opportunities for action every 6 months.

PRIORITY 1 PROJECTS as identified in Stinsford Neighbourhood Plan.	FUNDING	IMPLEMENTATION			EXTERNAL SUPPORT
		short	medium	long	
Project P1. Woodland survey and planting					
Project P3. Investigating new and improved recreational routes and accessible green spaces					
Project P5. Improving public transport					
Project P7. Improving cycle routes					
SPECIFIC ISSUES TO BE ADDRESSED based on <ul style="list-style-type: none"> key themes in Dorset Council's Climate and Ecological Emergency Strategy (para 1.5.7 in Part II of SPC's strategy) policies in the Stinsford Neighbourhood Plan (SNP) 					
Energy		X			
Encourage low or zero carbon technologies for energy usage			X		
Support annual open days at eco houses / buildings		X			
Build a community list of support services / organisations		X			
Encourage community renewables at the right size and scale in the right place		X			
Economy					
Support the local economy to adopt sustainable approaches			X		
Encourage green and environmentally friendly business		X			
Look at how best to support residents working from home				X	
Transport (SNP 14, Transport management encourages safe and attractive pedestrian and cycle routes and other measures)					
Encourage walking and cycling		X			

Establish a car-sharing scheme			X		
Encourage public transport provision (SNP Projects P5 and P7)			X		
Look at provision of car free access to the countryside for those with mobility and sight issues			X		
Tourism (linked to transport above and Projects P5 and P7)					
Work with partners to provide a public transport link to St Michaels, KM Gardens and Hardy's Cottage from free parking in or close to Dorchester.		X			
Develop walking routes and signage encouraging visitors to explore Hardy country North and West of the A35		X			
Housing (SNP Section 6, Sustainable Development & Climate Change; SNP Table 7, Sustainability checklist; SNP 12, Better Building Design)					
Encourage energy-efficient retrofitting Ensure that new housing is carbon neutral		X			
Look at the possibility for holding domestic carbon neutral workshops or site visits to provide advice and contacts			X		
Land Management (SNP 1, Protecting and strengthening our local wildlife and habitats; SNP Projects P1 & P5)					
Encourage sustainable uses of agricultural land				X	
Consider potential sites for rewilding and funding sources			X		
Community tree planting		X			
Encourage a reduction in the use of pesticides				X	
Waste					
Encourage re-use		X			
Encourage change in consumer behaviour			X		
Discourage use of plastic packaging			X		
Consider the potential for community composting schemes		X			
Food and drink					
Encourage consumption of local produce		X			
Encourage, and consider ways to expand, allotment and home-grown produce			X		
Consider community seed and produce sharing schemes		X			
Discourage over-consumption of meat and dairy				X	
Health and wellbeing					

2. Implementation

2.1 This table tracks progress and achievements on specific tasks. It will be regularly updated.

[LAST UPDATED: 2 August 2022]

INITIATIVE	LEAD	STATUS	COMMENTS
Documentation	Sarah and Sue	First draft for review by Council (10.7.21) Rev. 1, 6.9.21 Rev. 2, 26.9.21 Finalised, 31.10.21 1 st Update, 2.8.22	
Involving residents: 2 article in Pilot (end 21)	Julie	Copy prepared; pub Sep 21	Nil response
Taking forward ENERGY initiatives	SPC	Draft proposals, Oct 21	Proposal: in partnership with KMC. Did not materialise due to lack of SPC resources (only 4 councillors)
