## **Hartlip Parish Highways Improvement Plan**

The work on the first part of the Hartlip Highways Plan having been completed, Hartlip Parish Council held preliminary discussions regarding next steps. Further detailed work will follow with residents kept informed through HPC website and the Forum.

The Parish Council's work will continue to take a two pronged approach:

- (a) Consideration to improvements which may be possible to achieve within current policies.
- (b) Work to influence those policies more long term.
