3.3 Other planning matters (discussion only - no decisions)

Cllr March raised the issue that there is no lighting in Willards Place. There has recently been a spate of vandalism to cars in this area and parishioners would feel safer with some lighting in the vicinity. However it was understood that when the original planning application for Willards Place was granted lighting was not a part of the plans and that there may not be any funding for lighting to be put into the site.

Cllr March requested that this matter be put on the agenda for 7th November meeting.

There being no further business, the meeting closed at 7.43pm.
