

WROXETER & UPPINGTON PARISH COUNCIL

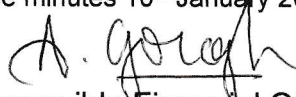

ASSETS REGISTER APPROVED

Asset	Location	Value (original purchase cost)	Condition
Bus shelter	B4380 – Lower Longwood	Collective value of £2,160	Much of the woodwork is reasonably sound but some of the wooden strips are becoming loose. It would benefit from some fresh nails to make it more secure and reduce further deterioration. It is overgrown with ivy and other vegetation which needs to be trimmed back.
Bus shelter	B5061 – Norton Crossroads (North)		Feels sturdy and robust. The two sides are in quite sound condition. 4 or so wavy-lap panels ideally need replacing plus a few nails hammered in elsewhere.
Bus Shelter	Adjacent to Roman Visitor centre	£1,700	Very Good Condition
Noticeboard	Wroxeter	Collective value of £1,450	Overall, in very good condition but the rear plywood board is deteriorating.
Noticeboard	Uppington		In sound, functional condition.
Noticeboard	Rushton		In quite good condition.
Uppington Play area equipment (not site)	Uppington	£15,000	Some of the equipment needs repair, but overall the play equipment is in a good condition.
Total original value of assets		£20,310	

Note: The bus shelters at Bluebells Crossroads and Norton Crossroads (south) have been disposed of and removed from the Asset Register (see minutes 10th January 2022).
